## **Consumers And Social Services:**

**Consumerism in the Human Services** David P. Moxley,2022-02-01 This book captures the evolution of consumerism in the human services By addressing the changing roles and contributions of consumers those working within human service organizations and systems and those working outside of those organizations and systems the author offers an encompassing framework of consumerism This framework is multidimensional and incorporates multiple types and forms of consumerism The author offers a rationale for consumerism in the human services illustrates its evolution and considers multiple perspectives and models culminating in policy considerations including specific strategies This book will equip consumers survivors practitioners and policy makers with substantive knowledge of how to advance human services through action and innovation

**Report on the Survey of Consumers and Providers of Services** Wisconsin. Select Committee on Health and Social Services,1974

**Charging consumers for social services** National Consumer Council,1995

**Consumers and Social Services** Robert Perlman,1975-01-01

The consumer in public services Simmons, Richard,Powell, Martin,2009-04-15 This book challenges existing stereotypes about the consumer as chooser It shows how we must develop a more sophisticated understanding of consumers examining their place and role as users of public services The analysis shows that there are many different faces of the consumer and that it is not easy to categorise users in particular environments Drawing on empirical research The consumer in public services critiques established assumptions surrounding citizenship and consumption Choice may grab the policy headlines but other essential values are revealed as important throughout the book One issue concerns the subjects of consumerism or who it is that presents themselves when they come to use public services Another concerns consumer mechanisms or the ways that public services try to relate to these people Bringing these issues together for the first time with cutting edge contributions from a range of leading researchers the message is that today s public services must learn to cope with a differentiated public This book will be of interest to scholars and students in the fields of social policy and public administration It will also appeal to policy makers leading user focused public service reforms as well as those responsible for implementing such reforms at the frontline of modern public services

**Textbook of Social Administration** John Poertner,Charles A. Rapp,2007-09-18 Textbook of Social Administration equips social programs managers with the skills they need to produce mutually desired outcomes for their consumers clients and for their staff This comprehensive resource is a how to guide to developing the management abilities needed to maintain an effective client centered approach by using a social programs fra
