Left Wing, Right Wing, People, and Power Douglas Giles, 2024-03-26 This is a rare work of political theory that stands out for its conversational style and readability Its persuasion relies on easy to follow arguments and logical conclusion in order to repaint the intractable modern political landscape as a vast misunderstanding of what is important in politics IndependentBookReview.com What is politics and why is it so contentious Avoiding partisan diatribe *Left Wing Right Wing People and Power* traces the historical development of the left wing and the right wing to reveal that the core of politics is the conflict over power Despite specific differences of time and place political

actions are consistently efforts to preserve or change the structure and dynamics of power With this insight we can better understand political positions and actions Written in an accessible style this book will inform readers regardless of where they see themselves on the political spectrum With clear but nuanced definitions of political ideologies and movements the author shows how politics is people seeking to express and expand their power in the social space around them Thus the clash of the left and right wings is not about grand ideologies but instead is about power relations and the flow of power among people Left Wing Right Wing People and Power is a well researched and thoughtful guide through the ideological rift that has dominated the political spectrum for centuries Giles deftly probes the modern left right wing factions vying for power in the United States and elsewhere He exposes the perceived misconceptions about the left and the right and is evenhanded in his criticism Giles book excels in approaching a contentious topic and deconstructing it for his reading audience in a concise manner Reedsy

Discrimination Against Women's Wages Dr. Phineas M. Nyabera PhD. Hon. Econ.,2023-04-24 Many people have undertaken time to draw up an account of wage discrimination against women that has taken place in the labor market and among us Wage discrimination and wage differences have been handed down to us by those who from the beginning were firsthand eyewitnesses Therefore since I myself have carefully investigated and researched the causes effects and impact of wage discrimination against women it seemed to be good to write an orderly account and hand it to you and the future generations so that you and the future generations can also read and understand the roots of wage discrimination between men and women
