**Consider This on This Day** Robin K. Johnson,2016-12-22 We are in a society that is constantly on the move We want what we want and we want it right now without any exceptions The first thing we should grab in the beginning of our days is a word from the Lord The desire of most believers is to have time set apart from the hustle and bustle of the day Consider This on This Day will allow you to take the first few moments of your morning reading a text and then discover new applications for overcoming the stresses of the daily grind All this will take is for you to test one week of the Bible lessons contained within to find new avenues to face those giants in your life Try it and leave with a renewed mind *Journal of the Royal Society of Arts* ,1874 **Tractor and Gas Engine Review** ,1916 **Studies** University of Nebraska (Lincoln campus).
