Consideration Of The Justifying Value:

A Consideration of the Justifying Value of a Public Park Frederick Law Olmsted, 1881 **A Consideration of the Justifying Value of a Public Park** Frederick Law Olmsted, 2016-08-19 **Fundamental Considerations in Language Testing** Lyle F. Bachman, 1990-06-14 Offers a discussion of the basic concerns which underlie the development and use of language tests Presenting a synthesis of research on testing this book is useful for students on teacher education courses It is also helpful for those professionally involved in designing and administering tests acting as a complement to how to books

New Perspectives on Distributive Justice Manuel Knoll, Stephen Snyder, Nurdane Şimsek, 2018-11-19 Distributive justice is one of the most discussed topics in political philosophy Focusing on the plurality of irreconcilable conceptions of social and political justice this book presents an array of new perspectives on the topic Bringing together 30 original essays of well established and young international scholars the volume is essential reading for anyone interested in social and political justice

A Consideration of the Justifying Value of a Public Park Frederick Law Olmsted, 2024-02-26 Reprint of the original first published in 1881 **Justice, Care, and Value** Thomas Randall, 2023-07-21 In *Justice Care and Value* Thomas Randall argues for the radical potential of care ethics as a distinct and preferable theory of distributive justice Advancing the feminist literature this book defends a vision of society that can best enable caring relations to flourish Specifically Randall proposes a values driven theory of care ethics that derives normative criteria for evaluating the moral worth of caring relations and their surrounding institutions via a classification of the values of care They argue that such a theory gives us unique and meaningful solutions to contemporary questions of distributive justice across personal political global and intergenerational domains In doing so the book makes significant strides to engage care ethics with the broader moral and political philosophy literature Topical and interdisciplinary Randall demonstrates that care ethics has the conceptual resources to ground distributive theories of socialism territorial and natural resource rights obligations to future generations and historic redress The book will be of great interest to academics researchers and students of feminist philosophy but also of liberalism political economy and theories of global and intergenerational justice

The Concept of Ideals in Legal Theory Sanne Taekema, 2002-12-31 Talk about law often includes reference to ideals of justice equality or freedom But what do we refer to when we speak about ideals in the context of law This book explores the concept of ideals by combining an investigation of different theories of ideals with a discussion of the role of ideals in law A comparison of the theories of Gustav Radbruch and Philip Selznick leads up to a pragmatist theory of legal ideals which provides an interesting new position in the debate about values in law between legal positivists and natural law thinkers Attention for law s central ideals enables us to understand law s autonomous character while at the same time tracing its connection to societal values Essential reading for anyone interested in the role of values or ideals in law

The Top Books of the Year Consideration Of The Justifying Value The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Consideration Of The Justifying Value : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Consideration Of The Justifying Value : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
