Cooperation has become an important form of business organization since the last century. Cooperation has taken many forms. There are consumers' cooperative, producers' cooperatives, cooperative marketing societies and so on. In a consumers' cooperative society, members cooperate as consumers. They buy goods at wholesale prices, sell them at the usual retail prices, and then distribute the profits of the society in the form of dividend on profits. In a producers' cooperative, a number of people, usually workers, combine to produce a commodity and share the profits among themselves. Consumers' cooperation has been more successful than all other forms of cooperation in many countries.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
