Influenced Brian Boxer Wachler,2022-12-31 This engaging eye opening book covers everything anyone would ever want to know about social media influencers Booklist Starred Review Unpacks and pulls the curtain back on what happens to our brains and our behaviors each time we addictively engage social media and the influencers we encounter there Individuals seeking to widen their tribes of friends fans and followers have an abundance of resources for building their digital footprints and social media popularity All of this seems well and good from the perspective of revenue exposure and perhaps ego
