of honour and all players respect the rules Palmer helps make sense of it all with easy to understand language and hundreds of pictures of some of the more controversial rulings giving readers a visual recall of memorable moments involving Greg Norman Tiger Woods John Daly even Palmer himself If you re one of the millions who take to the course every year need a clear explanation of the rules of the game you love and don t want to be speechless when an argument over the coefficient of restitution pops up then **PLAYING BY THE RULES** will be an invaluable guide you ll refer to time and again **Ben Hogan** James Dodson,2005-05-03 Authorized intimate and definitive Ben Hogan A Life is the long awaited biography of one of golf s greatest most enigmatic legends narrated with the unique eloquence that has made author James Dodson a critically acclaimed national bestseller One man is often credited with shaping the landscape of modern golf Ben Hogan was a short trim impeccably dressed Texan whose fierce work ethic legendary steel nerves and astonishing triumph over personal disaster earned him not only an army of adoring fans but one of the finest careers in the history of the sport Hogan captured a record tying four U S Opens won five of six major tournaments in a single season and inspired future generations of professional golfers from Palmer to Norman to Woods Yet for all his brilliance Ben Hogan was an enigma He was an American hero whose personal life inner motivation and famed secret were the source of great public mystery As Hogan grew into a giant on the pro tour the combination of his cool outward demeanor and invincible laser guided accuracy on the golf course froze formidable opponents in their tracks In 1949 at the peak of his career Hogan s mystique was reinforced by a catastrophic automobile accident in which he and his wife Valerie were nearly killed after being hit head on by a Greyhound bus Doctors predicted Hogan might never walk again let alone set foot on another golf course But his miraculous three year recovery and comeback led to one of the greatest performances in golf history when in 1953 he won the Masters the U S Open and the British Open something that s never been repeated In this first ever family authorized biography renowned author James Dodson expertly and emotionally reconstructs Hogan s complicated life He discovers an intensely honest man handicapped by self doubt buoyed by the determination to prove his own abilities and unable to escape a long buried childhood tragedy the core of the Hogan secret Dodson also reveals both the legendary devotion and eventual strain in Hogan s sixty two year marriage and a Hogan rarely seen by the public a warm jovial man whose charitable spirit and sharp business sense enabled him to build the powerful golf equipment company bearing his name to this day Ben Hogan A Life is the authoritative inside portrait golf fans have long awaited **Golfers Magazine** ,1918 *The American Golfer* ,1908

Playing by the Rules Arnold Palmer,2010-06-15 It was a moment seen by millions on television During play at the 1999 Phoenix Open Tiger Woods had a loose impediment removed to play his shot an everyday occurrence under golf s rules But that impediment was not a leaf or twig it was a 350 pound boulder that took six people to move The gallery and television audience buzzed with disbelief How could this be legal under the rules Indeed it could says golf legend Arnold Palmer who throughout his distinguished career has taken part in a sizable share of rules controversies Despite the fact that golf has

fewer rules than such sports as baseball or football or rugby it is a contest of honor and all players be they tour professionals or casual weekend hackers respect the rules But as Palmer points out sometimes the rules are a little confusing and from time to time even the pros are puzzled When exactly is a ball considered lost How is slow play defined And when is a drop allowed Palmer helps makes sense of it all with simple to understand language and hundreds of infamous pictures of some of the more controversial rulings affording readers a visual recall of memorable moments involving Greg Norman Lee Janzen Mark O Meara John Daly even Palmer himself If you re one of the millions who take to the links every year need a clear explanation of all the rules of the game you love and more important don t want to be speechless when an argument over the coefficient of restitution pops up then **Playing By The Rules** will be an invaluable guide you ll refer to time and again
