About Loss and Grief this book will speak to its readers through its directness and simplicity It challenges readers to understand and live by the tenets of a committed relationship In the spirit of the bestselling book *A Short Guide To A Happy Life* by Anna Quindlen author Sharon Gilchrest O Neill offers readers the same inviting and simple but sensible approach for embracing marriage and provides the essentials of a long lasting relationship **A Happy Marriage Takes Two** Veronica V. Sutherland,2014-04-29 Two persons from different backgrounds coming together in marriage can be challenging but if you are both able to talk to each other about your expectations these challenges can be navigated to produce a successful marriage It is Veronica s firm belief that mistakes of other persons should be used to direct learning and that prevention is better than cure *A Happy Marriage Takes Two* helps you both to begin the conversations that will set you on a path to your ideal marriage You are guided through a number of activities which help you to shape the marriage you both desire The activities address the major causes of divorce *You Can Have a Happy Family* Amanda Beth,2011-09-02 YOU can t perfect your family YOUR SPOUSE can t perfect your family But there is hope GOD CAN Join Amanda on her journey to find contentment She takes you through her personal testimony and reveals the steps God taught her that freed her from insecurity strife distrust resentment and chaos in her marriage She shares with you how to enjoy your family while waiting on God to restore transform and perfect you your spouse and your children This book is a guide to a total FAMILY makeover As a mom of four children ages one to ten Amanda understands the struggles of raising a family today She shares her own struggles along with testimonies and needs of real families She helps you apply true Biblical solutions to the problems that marriages and families face today God only needs ONE willing heart to change a whole family Let that heart be yours The LORD will perfect that which concerns me your mercy O LORD endures forever forsake not the works of your own hands Psalm 138 8 AKJVA About the Author Amanda Beth has been married for fifteen years and has experienced a transformation in her life and her marriage since she surrendered her heart to Christ ten years ago She passionately desires to see individuals and families transformed through the power of God Her teachings on marriage and spiritual growth can be found on her website amandabeth net and her blog sharingtruths com Amanda and her husband Jason live in Michigan with their four children [Eight Lessons for a Happier Marriage](#) William Glasser, M.D.,Carleen Glasser,2009-10-13 Applying the methods and ideas espoused in his popular book *Choice Theory* world renowned psychiatrist and relationship expert Dr William Glasser along with his wife Carleen offers a practical guide to an enduring satisfying successful marriage *Eight Lessons for a Happier Marriage* showcases eight real life histories of troubled couples and presents simple practical solutions to overcoming the pitfalls illustrated therein Keeping love alive and strong is not as difficult as you think let the Glassers and this indispensable book show you how [How to Be a Good Wife and Keep Your Husband Happy](#) Mary Beth LeRoux,2015-04-06 There s no question as to the importance of a man keeping his wife happy AKA the happy wife happy life theory but let s not forget that in marriage it takes two to tango We are only one half of the equation and the person we

married is the other half our husbands And in order to have a happy marriage both sides of the equation need to be balanced Oddly enough in many cases of broken marriages wives reported to have been taken completely by surprise They never even suspected their husband to be unhappy until the day he asked for a divorce It s important that you try to stay in tune with your husband s emotional wellbeing so as to avoid such a scenario Taking care of our marriage is not merely about keeping our husbands happy but it s also about keeping our family intact When marriages are broken children are also affected This is yet another reason to keep your husband s happiness on your radar and make sure you treat him as a priority Of course being a good wife requires a lot of effort especially the type of effort you must exert for example to hold your tongue or to change your way of thinking But once you persevere and you begin to feel the positive changes take place in your marriage chances are you will feel even more invigorated and energized than you ve ever felt before This book is for all the strong women out there who are willing to take the necessary steps for the betterment of their marriage and family knowing that it may not always be easy If you apply the principles divulged in this book I guarantee that you will love being married again and that your husband will feel like a very lucky man Let s get started

**More Perfect Unions** Rebecca L. Davis,2010-07-31 The American fixation with marriage so prevalent in today s debates over marriage for same sex couples owes much of its intensity to a small group of reformers who introduced Americans to marriage counseling in the 1930s Today millions of couples seek help to save their marriages each year Over the intervening decades marriage counseling has powerfully promoted the idea that successful marriages are essential to both individuals and the nation s well being Rebecca Davis reveals how couples and counselors transformed the ideal of the perfect marriage as they debated sexuality childcare mobility wage earning and autonomy exposing both the fissures and aspirations of American society From the economic dislocations of the Great Depression to more recent debates over government funded Healthy Marriage programs counselors have responded to the shifting needs and goals of American couples Tensions among personal fulfillment career aims religious identity and socioeconomic status have coursed through the history of marriage and explain why the stakes in the institution are so fraught for the couples involved and for the communities to which they belong Americans care deeply about marriages their own and other people s because they have made enormous investments of time money and emotion to improve their own relationships and because they believe that their personal decisions about

whom to marry or whether to divorce extend far beyond themselves This intriguing book tells the uniquely American story of a culture gripped with the hope that with enough effort and the right guidance more perfect marital unions are within our reach *C.R.I.S.* Annadel N.
