A Historical Guide To Ralph Ellison:

A Historical Guide to Ralph Ellison Steven C. Tracy, 2023

Tracy, 2004-05-13 Ralph Ellison has been a controversial figure both lionized and vilified since he seemed to burst onto the national literary scene in 1952 with the publication of *Invisible Man*. In this volume Steven C. Tracy has gathered a broad range of critics who look not only at Ellison's seminal novel but also at the fiction and nonfiction work that both preceded and followed it, focusing on important historical and cultural influences that help contextualize Ellison's thematic concerns and artistic aesthetic. These essays, all previously unpublished, explore how Ellison's various apprenticeships in politics as a Black radical, in music as an admirer and practitioner of European American and African American music, and in literature as heir to his realist, naturalist, and modernist forebears affected his mature literary productions, including his own careful molding of his literary reputation. They present us with a man negotiating the difficult sociopolitical, intellectual, and artistic terrain facing African Americans as America was increasingly forced to confront its own failures with regard to the promise of the American dream to its diverse populations. These wide-ranging historical essays, along with a brief biography and an illustrated chronology, provide a concise yet authoritative discussion of a twentieth-century American writer whose continued presence on the stage of American and world literature and culture is now assured.

A Historical Guide to James Fenimore Cooper Leland S. Person, 2007

[A Historical Guide to James Fenimore Cooper](#) features new critical essays by noted American literature scholars Gerald Kennedy, John P. McWilliams, Dana Nelson, and Barbara Mann, as well as a brief biography by authorized Cooper biographer Wayne Franklin and a survey of Cooper scholarship and criticism and bibliography by Jeffrey Walker. Kennedy examines Cooper's five-volume *Gleanings in Europe* as the most ambitious effort by an antebellum American author to scrutinize the new nation from a critical transnational perspective. McWilliams challenges the critical and scholarly neglect of Cooper's women by analyzing the four Revolutionary War novels in which young women play critical roles in furthering political debates about loyalty, independence, and family upon which America's new republican culture depends. Examining the five *Leatherstocking* novels, Nelson shows how groupings of male and female characters across lines of class, habit, and race foreground the problems of creating new identities that can support the democratic aims of the early United States. Mann defends Cooper from nineteenth-century as well as twentieth-century attacks that he was a race traitor and argues provocatively that Natty Bumppo is a mixed-race character. Wayne Franklin offers a preview of his forthcoming two-volume biography of Cooper. Editor Leland S. Person provides an introduction and an illustrated chronology of Cooper's life and nineteenth-century historical events.

A Historical Guide to F. Scott Fitzgerald Kirk Curnutt, 2004

The *Historical Guides to American Authors* is an interdisciplinary, historically sensitive series that combines close attention to the United States' most widely read and studied authors with a strong sense of time, place, and history. Placing each writer in the context of the vibrant relationship between literature and society, volumes in this series contain historical essays written on

subjects of contemporary social political and cultural relevance Each volume also includes a capsule biography and illustrated chronology detailing important cultural events as they coincided with the author s life and works while photographs and illustrations dating from the period capture the flavor of the author s time and social milieu Equally accessible to students of literature and of life the volumes offer a complete and rounded picture of each author in his or her America Book jacket

Forgotten African American Firsts Hans Ostrom,J. David Macey Jr.,2023-03-16 Winner of the 2024 RUSA Outstanding Reference Award This book introduces students to African American innovators and their contributions to art entertainment sports politics religion business and popular culture While the achievements of such individuals as Barack Obama Toni Morrison and Thurgood Marshall are well known many accomplished African Americans have been largely forgotten or deliberately erased from the historical record in America This volume introduces students to those African Americans whose successes in entertainment business sports politics and other fields remain poorly understood Dr Charles Drew whose pioneering research on blood transfusions saved thousands of lives during World War II Mae Jemison an engineer who in 1992 became the first African American woman to travel in outer space and Ethel Waters the first African American to star in her own television show are among those chronicled in Forgotten African American Firsts With nearly 150 entries across 17 categories this book has been carefully curated to showcase the inspiring stories of African Americans whose hard work courage and talent have led the course of history in the United States and around the world
