A History of Christian Spirituality Urban T. Holmes (III), 1980      *A History of Christian Spirituality* Urban Tigner Holmes, 1981 A concise introduction to the history of Christian spirituality from the Early Church up to the late twentieth century      **Mysticism and the Spiritual Quest** Phyllis Zagano, 2013 A crosscultural exploration of the meanings definitions practices and common themes of mysticism via a study of original texts in translation from different parts of the world It brings together the writings of the mystics from Christianity Judaism Islam Buddhism Hinduism Taoism and Confucianism in one volume      **Paul's Spirituality in Galatians** P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture Spirituality is essentially how one's beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one's faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one's religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today      *Why Church History Matters* Robert F. Rea, 2014-06-05 Does it matter how Christians in other times and places thought For many contemporary Christians questions about the role and value of church history can be difficult to tackle Veteran teacher Bob Rea addresses these barriers skillfully explaining not only why church history matters but the difference it makes for life and ministry      *How Then Shall We Guide?* Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition's distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis      *Ex Auditu - Volume 18* Klyne Snodgrass, 2004-06-23 *Ex Auditu* began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today's Church

Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors

[Formative Spirituality](#) ,1991 **John Newton and the English Evangelical Tradition** D. Bruce Hindmarsh, 1996

Hindmarsh draws upon archival and antiquarian sources to consider the life and religious thought of John Newton 1725-1807. He shows how Newton's life sheds light on little explored aspects of the eighteenth century Evangelical Revival. Hindmarsh's discussion of historical theology, pastoralia and spirituality as well as his consideration of conversion narrative, the familiar letter and hymnody contribute to a fuller understanding of religion and culture in general. *Spirituality of the Ukrainian People* Stephan Jarmus, Stepan I[A]rmus', Ukraïns'ka pravoslavna t[s]erkva v Kanadi. Millennium Central Committee, 1989. *Journal of Ecumenical Studies*, 1980. **New Catholic World**, 1982. *Prophetic Ministry* Morton T. Kelsey, 1994-08. The book deserves a wide reading and can be highly recommended not only for pastoral care specialists but for all pastors and seminarians attempting to build a foundation for their work. *Journal of Psychology and Theology* *Early Methodist Life and Spirituality* Lester Ruth, 2005. Representative writings of early American Methodists illustrating their spirituality and lives. This book presents primary source material from the writings of early American Methodists ca. 1770-1820. Ruth topically organizes and sets each reading in context. Materials from Francis Asbury, Thomas Coke, Peter Cartwright as well as rank and file Methodists are included. Ruth's book demonstrates that early Methodism was made up of both men and women and both Black and White persons. The primary material includes sermon outlines, journal and diary entries, excerpts from correspondence, hymnody and poetry, theological reflections and contemporaneous historical descriptions. **British Books in Print**, 1985. **Spirituality and World Religions: A Comparative Introduction** George Saint-Laurent, 1999-10-25.
