A Firm Foundation:

Building on a Firm Foundation Frederick K. C. Price, 1998 **A Firm Foundation** David Nungester, 2019-12-06 The Church today is full of people who love God but have no idea what they believe about God other than that He loves them The teaching that God loves everyone so much that He sent Jesus to die for us is the beginning of our faith and absolutely necessary to become part of Christ's body on the earth However in order to grow more with God it is also necessary for the believer to begin to align their believing with the Word of God The writer of Hebrews gives us clear foundational doctrine for the New Testament Church today These six fundamental doctrines are the basis on which the Church has been set Without a good understanding of these elementary principles the growth of the Church will be stagnant because we are trying to build something on a foundation different from what the Word instructs Throughout the reading of this book you will find thorough evidence using scripture after scripture that supports the doctrines that are laid out in Hebrews 6:1-2 As the Church builds on these doctrines and teaches them as the beginning of all good things for the people of God the Church will be positioned to soar to new heights that have yet to be seen in previous ages

parents as the first heralds of the faith to their children Unfortunately many parents today are ill equipped to take on this role because they haven't been fully evangelized in the Christian Faith Building a Firm Foundation is an eight week evangelization and formation program for parents and guardians whose children are preparing for their first sacraments This foundational program starts at the very beginning with the kerygma the initial Gospel proclamation that introduces each of us to Christ Rather than focusing on Catholic doctrine the program's goal is to stoke a desire to grow together in faith in an intentional way as a family by awakening parents to the importance of a relationship with Jesus and his Church Once evangelized only then will parents be more receptive to the catechesis that will nourish and deepen the faith of their entire family Building a Firm Foundation will awaken in parents the capacity for an active relational faith and equip them as they in partnership with their children's catechists help their children prepare for their sacraments

Upon This Rock Rosie Rivera,2014-09-26 Many new believers struggle due to a lack of knowledge The Bible states that we as baby Christians should desire the sincere milk of the Word that we might grow by it Many people get born again and go back into the old lifestyle because they have no root in the Word and their foundation is weak I would like to see every new believer become established and grounded in the Word so that they have a firm foundation that cannot be moved Tests and trials come to each of us and the type of foundation our life is built upon determines whether we stand or fall The more we understand the Word the stronger our foundation becomes God desires that we take His written Word and His revealed Word and apply them to our daily lives This book is intended to inspire new believers to go after God to get to know Him and to love the Word There is no greater joy than knowing Jesus who came to give His life for us so that we can have eternal life
