FISTFUL OF RAIN

A TY DAWSON MYSTERY

A man in a cowboy hat and jacket stands on a hill, looking out over a sunset landscape. The sky is a mix of orange, red, and blue. In the distance, there are silhouettes of horses and trees. The overall mood is dramatic and mysterious.

A Fistful Of Rain:

A Fistful of Rain Greg Rucka,2004-02-03 Greg Rucka has earned the kind of reputation that all thriller writers envy his crime fiction grabs readers by the throat and compels them to read as if their own lives were at stake Now in an electrifying departure Rucka creates a new kind of hero a damaged young woman in free fall who s not only in danger but dangerous A Fistful of Rain Mim Bracca is riding the fast lane straight off the end of the world Now she s coming home without a job without a future and without a prayer and only one last chance to get her feet under her or go down forever But home has its own terrors including a past Mim has done everything possible to leave behind Now that past is coming back with the shocking speed and deadly intent of a sniper s bullet aimed to destroy her once and for all When Mim suffers her first blackout waking up dazed and bloodied she s certain she s hit rock bottom She s wrong She s only just begun to fall The photos are invasive obscene and all over the Internet for anyone to see How they got there where and when they were shot and by whom Mim has no idea And before the investigation into the matter even begins a brutal murder makes it clear that whatever Mim thinks her life has been up to now she s about to learn it s all a lie The kind of lie that will kill Written with stunning originality A Fistful of Rain crosses the line separating the guilty from the innocent as it takes us on a breakneck ride of deceit and double cross and quite possibly the last twenty four hours in Mim Bracca s stormy life Bloodwork Nathan Redman,2007-11 A Jesuit poet once wrote If my God is a God of Light it is a Dark Light Blood Work consists of unconventional and highly personal poems in the spirit of William Blake and Charles Williams Their unitive theme is the Metaphysical Poets unique conceptualization of the human soul as having blood Subjects range from transcendent beauty and apotheosis to intense personal agony and frustrated creativity Though varied these heavily allusive and strangely imagist pieces attempt to convey as Donne did masterfully in his Holy Sonnet XIV that Love can suffer the worst violence and be itself the most violent force of transformation Blood Work is the humble first offering of Nathan Redman a young person whose primary pursuit in life is to be a man of Christian integrity His secondary pursuit is to write poetry that might in some way open a door of speech to speak the Mystery of Christ Col 4 3 **The Dancing Goddesses** Elizabeth Wayland Barber,2013-02-04 A fascinating exploration of an ancient system of beliefs and its links to the evolution of dance From Southern Greece to northern Russia people living in agrarian communities have long believed in dancing goddesses mystical female spirits who spend their nights and days dancing in the fields and forests In The Dancing Goddesses archaeologist linguist and lifelong folkdancer Elizabeth Wayland Barber follows the trail of these spirit maidens long associated with fertility marriage customs and domestic pursuits from their early appearance in traditional folktales and harvest rituals to their more recent incarnations in fairytales and present day dance Illustrated with photographs maps and line drawings the result is a brilliantly original work that stands at the intersection of archaeology and folk traditions at once a rich portrait of our rich agrarian ancestry and an enchanting reminder of the human need to dance Hill Station Teacher Ruth
