A Heart Speaks Denise Fortin, 2010-11-24 A Heart Speaks is just that the feelings emotions and faith of a young woman as she begins her spiritual journey with God There may be sadness darkness and anguish but the poems always end in the light of faith The one gift God has given me is the ability to experience and know His healing and unwavering love I pray that as you see God's hand in the life of this young woman you may also see His loving presence in your own life

When the Heart Speaks! Renzie, 2006-01-30 When the Heart Speaks is a recollection of the past twenty years of my life which includes serving in the army and traveling around the world to places I dreamed about as a child but never imagine I would actually go there and for that I am forever grateful When the Heart Speaks will allow you become a part of me for a brief moment or however long you choose to do so You will experience the emotional rollercoaster ride of life as well as the trail and tribulations one goes through when they keep things inside to long or don't know how to express themselves when those feelings are pleading to come out but you refuse to release them or don't know how to release them I've learned when that happens in my opinion GOD The Real Author brings you to a point in your life with the assistance of your heart and lets you know that's enough They're trying to tell you to get your act together if you're not living the way you should especially if you know you've been given blessings from above and still choose to go down the wrong path In my case I haven't listen or paid attention to the warning signs that were there so now it's either their way or the byway I've decided it would be their way Thank you GOD

The Heart Speaks Mimi Guarneri, 2007-01-02 An evaluation of the multi-faceted role of the heart considers its representation of emotions and spirituality drawing on recent studies to reveal that the heart has its own intelligence and memory and operates independently from the brain
