## **A Fine Old Conflict:**

A Fine Old Conflict Jessica Mitford, 1977      **A Fine Old Conflict** Jessica Mitford (Hon.), 1978      **Troublemaker** Carla Kaplan, 2025-11-25 From British high society to republican Spain and civil rights America the inspiring wildly entertaining story of Jessica Mitford investigative journalist radical activist renegade aristocrat Jessica Mitford is a sister of mine If I had to go into a room with a leopard I wouldn't hesitate to ask for her Maya Angelou The cult of the Mitfords which now features a shelf of books and several TV documentaries threatens in itself to become a bore on an almost Bloomsbury scale But their mad father when making dispositions of his property wrote in his will the words except Jessica And the bookstore at the Devonshire stately home in Chatsworth displays works by and about every Mitford sister but her These paltry aristocratic gestures confirm as do her letters that it was Decca exiled and intransigent who was the exceptional one Christopher Hitchens Jessica Decca Mitford was raised to marry well not fight for others rights Yet she rejected her eccentric blue blooded roots running away from England to become an antifascist and antiracist Why is this rebellious heroine less famous than her glamorous sisters who ranged from naughty to Nazi Troublemaker is the remarkable story of Decca's life in pursuit of justice in the Spanish Civil War and the Communist Party USA her intrepid social reporting and her relentless antics Carla Kaplan celebrates a fierce intellect and powerful ally who brought joy to the struggle unearthing fascinating details through interviews with the Mitford family and exploring Decca's thousands of witty letters From pioneer Dr Spock to Decca's best friend Maya Angelou this Mitford sister's irreverent anti-authoritarianism deeply influenced American culture Back home in Britain her activism shamed those of her class and her family on the wrong side of history This passionate often hilarious biography captures an extraordinary woman and an extraordinary time in world history Facing today's injustices we need Decca's vibrant committed example more than ever

Muv Rachel Trethewey, 2026-03-03 The story of the seventh Mitford woman a long overlooked figure in the Mitford canon told in full for the first time Everyone knows about the six flamboyant Mitford girls but in fact there were seven remarkable women in the famous family the seventh was Muv Lady Sydney Redesdale the mother of the notorious sisters Too often portrayed as different from them and outside the girl gang she was really the original and much of her daughters strong will self-confidence and extremism came from her Sydney Redesdale was a divisive figure both among her daughters and subsequent biographers Until their deaths her girls were still squabbling over what she was really like their differing views of her persisted for even longer than the political divides between them Each daughter wanted to control the narrative and they wrote competing novels memoirs and letters to vindicate their perspective For Nancy and Jessica she was a scapegoat For Unity Diana Debo and Pam she was a saint Biographers have been equally divided about how she should be portrayed Many wondered how such exceptional children could spring from such ordinary parents but was Sydney really so ordinary The story of her life at the heart of one of Britain's most famous families is told in full here for the first time and is a missing piece in understanding one of the twentieth century's most

University Extension Division, 1923      **The First Partner** Joyce Milton, 2010-11-16 In 1998 Hillary Rodham Clinton became the most admired woman in America while also becoming the most visibly wronged wife in the world Standing by her husband President Bill Clinton as she and the nation learned the truth behind the Monica Lewinsky scandal the First Lady assumed two roles dutiful spouse and passionate defense attorney which she had played on numerous occasions during the course of their tumultuous yet politically unified relationship Now esteemed biographer and journalist Joyce Milton examines this formidable fascinating woman giving probing insight into the First Lady's character her values and her career In *The First Partner* Milton goes behind the scenes at the Clinton White House and explores the First Lady's involvement in Travelgate Filegate the Health Care Task Force fiasco and fund raising for the 1996 presidential campaign showing how these controversies grew out of the tensions in her political partnership with Bill Clinton Milton also describes how Mrs Clinton's defensive reactions to her husband's chronic infidelities have often misfired and have sometimes enabled his bad behavior She examines the differing psychologies of the President and First Lady yet shows that when faced with political accusations they take a similar approach of telling only as much of the truth as is necessary a reaction that has increasingly gotten them into trouble Meticulously reported and researched *The First Partner* offers keen new understanding of this complex woman who has infuriated and confounded as many people as she has inspired      **A History of the Tenth Regiment, Vermont Volunteers** Edwin Mortimer Haynes, 1894      "Education for Action" Jess M.
