existent back then All extended family members helped out as much as they could When this was not enough the only choice was to break up the family Benevolent Jews had established orphanages to care for children left homeless or in poverty The largest of these orphanages was the Hebrew Orphan Asylum better known as the HOA or The Home located between 136th to 138th Streets on Amsterdam Avenue across from the Lewisohn Stadium of the City College of New York City From 1929 to 1939 the HOA housed more than one thousand boys and girls at a time The Hebrew Orphan Asylum was referred to as a city within a city as it was basically self contained Not only where there the essentials of residential life dormitories a kitchen a dining room an infirmary a dental clinic and a laundry but also a public school 192 a synagogue and a religious school Then too there were a bakery a shoe shop a tailor shop a barber shop a clothing store a candy store a woodworking room a sewing room a photography studio and darkroom a boys scout room a band room a choir room athletic fields and playgrounds There was a Reception House the Main Building the Warner Brothers Gymnasium state of the art at that time and buildings for boilers for heating It had its own transportation system and a fire engine There were military bands and drill squads fraternities and sororities as well as baseball basketball and football teams that competed with other orphanages and the junior varsity at City College Orphans half orphans and children from broken families began their shared institutional lives at the Reception House where they were isolated for two weeks to assure they did not bring any contagious disease or illness into the institution The author was one of those with a family destroyed by alcoholism and poverty who had to leave his family at the age of nine and begin an orphan s life He writes Having seen from my top floor perch in the Reception House children who were playing on the huge field below and having listened to the marching band and watched the military drills I was looking forward to moving to the Main Building But when I finally got there I felt lost in the labyrinth of hallways and doorways and among the masses of children who were coming and going Outside in the courtyard were more than 100 children talking shouting and playing together One of my first memories there is of hearing a short rotund man suddenly shout above that babble of voices All Steeeeeeeeeel All Still What that meant only became clear when as I watched most of the children froze in their places and stopped talking One child did not freeze The man with the powerful voice strode over to him and slapped him so hard across the face that the child fell down In the years that I would be in the orphanage that and similar examples made me obey the All Still and always appear to be following commands rules and regulations even when I wasn t obeying What I witnessed there day after day also reinforced my hopeless and helpless feeling that there were immense forces beyond my control my father s rage my separation my placement in an institutional environment and the subsequent abuse in that environment I wept within myself and there was no adult at the institution to comfort me not the first day nor the last For his own healing Dr Siegel has written a book about his decade during the depression years in the Hebrew Orphan Asylum *The Bar/bat Mitzvah Survival Guide* Randi Reisfeld,1992 **The Comic Book Bandit: Stories from a Life of Lies** Jay Michael Feldman, M.D.,2016-05-25 The Comic Book Bandit is a bright healthy mischievous child

named Jay Mentored by his brilliant older brother Ross the bandit pulls off his first comic book heist at the age of four As events unfold he gradually finds himself to be alone out in a world where the only significant authority over his behavior turns out to be him and his fledgling and relatively ignorant conscience Being an unattended child may be scary but it is also immensely exciting There is a rush that comes with boundless liberty Not entirely free but with stolen moments of freedom to explore life on his own out and about in the pulsating city of Chicago where the choices were breathtaking our hero is captured by the undeniable realization I can do whatever I want so long as I don t get caught The stories take place after the Second World War Yes the bandit faces the obstacles of grown ups but cleverly discovers the slippery power of the believable lie He creates a secret life of his own and shares an acceptable version with those he must account to his mother his father his brother his teachers and his friends Getting away with stuff starts to become second nature at least until and when he creates a lie so big with burden so weighty its effects are at times overwhelming The culmination of his struggles with the Great Bar Mitzvah Caper will have the reader riveted to each and every page How could he How does he Will he or won t he Those are the questions Come along for the ride I promise you a child whose ingenious lies make him unlike any child you may have encountered And beyond all that he is a great little kid 1 [The Trade Off](#) Louise Maniscalco, Susan Rudin, 2014-11-25 With wit and sharp insight the authors of THE TRADE OFF provide a behind the scenes peek at the Machiavellian world of a luxury Manhattan store its executives designers clerks and demanding socialite customers Told in the knowing voice of the store s ambitious shopping salon director THE TRADE OFF is a fast paced entertaining read Dr Joyce Brown President of Fashion Institute of Technology Go behind the window displays Behind the racks Two personal shoppers for Manhattan s biggest department stores have written a wildly dishy novel that goes behind the dressing rooms of New York s fashion elite At Frankel s New York the wives of billionaires and Hollywood celebrities sip champagne while stylists and tailors cater to every whim And one person has made it her career to help these Amex wielding shoppers create the perfect look Bonnie Salerno Madden knows all of her client s preferences whims and fantasies She knows the price they paid to gain access to the salon where having Bonnie as their private shopper is a first class ticket to being the toast of the New York high fashion social scene But while Bonnie is all elegance on the outside she s barely keeping it together on the inside A single mom to a special needs child she needs her high pressure job to care for her family And when that job is put in jeopardy Bonnie will need to make some of the riskiest choices of her life to guarantee a better future for her son and for herself With the opportunity to live in her own fairy tale will Bonnie have what it takes to make the trade off THE TRADE OFF is a riveting page turner even for a non shopper like me The ultimate tale of New York life David Patrick Columbia newyorksocialdiary.com [Supreme Court](#) , [It's a Fit](#) Susan Graver, 2000-11 First Susan helps you identify your body type what looks best on you and what kind of clothing attracts you Then she teaches you how to dress in a more flattering way so you always look good and feel confident **Tales, Topics, Trivia and Travel** Lynn Gold, 2021-11-09 Part fiction part
