No Other Home Matt Besler, Patrick Regan, 2017-11-07 Sporting Kansas City captain Matt Besler has achieved something extraordinary in the least extraordinary way. At every level of his athletic career, Besler has heard the same questions and initial dismissal of his talent. Even as he made his slow, steady progression into the consciousness of his coaches, opponents, and fans, then onto the national and world soccer stage, he heard it still: How does a normal guy like Matt Besler end up playing in the World Cup, one of the most exclusive competitions in international sports? If it's true that he's a rather typical Midwestern guy, it's also true that Matt happens to be one of the best soccer players in the country. Professional soccer is a bastion for the flamboyant, the lifestyles, the hairstyles, the WAGs, the passionate fans, yet Matt has flourished as the anti-flamboyant. He is preternaturally calm. He is stalwart. He is relentlessly committed to his preparedness and his athletic success. Matt Besler may seem to be Mr. Average, but it is this very characteristic that has made him exceptional. *No Other Home* offers an honest first-person perspective into exactly what it takes to reach the highest levels of the sporting world. Matt shares his stories from growing up in a loving but fiercely competitive family to climbing through the ranks of high school, club, and college athletics to dealing with injuries and professional setbacks, and even to his own, rather extraordinary, experience of becoming a father. The poignant lessons he's learned so far hold value for soccer fans and nonfans alike. This is a book to be shared among family members, young and old. And for parents looking for positive influences in professional athletics, they will find no better role model than Matt. A portion of the proceeds from the sale of this book will be donated to the nonprofit charity, the BESLER FAMILY FOUNDATION.

Anishinaabe Ways of Knowing and Being Dr. Lawrence W. Gross, 2014-07-28 Very few studies have examined the worldview of the Anishinaabeg from within the culture itself, and none have explored the Anishinaabe worldview in relation to their efforts to maintain their culture in the present-day world. Focusing mainly on the Minnesota Anishinaabeg, Gross explores how their worldview works to create a holistic way of living which the Anishinaabeg call the Good Life. However, as Gross also argues, the Anishinaabeg saw the end of their world early in the 20th century and experienced what he calls postapocalypse stress syndrome.

[A Dictionary of Proverbs](#) Jennifer Speake, 2008-10-23 This unique and authoritative dictionary contains over 1,100 of the most widely used proverbs in English and uses research from the Oxford English Corpus, the world's largest language databank.
