Collette, 2006 Essays re examining the Legend of Good Women placing it in its cultural and historical context **The Riverside Chaucer** Geoffrey Chaucer, Larry Dean Benson, 2008 The third edition of the definitive collection of Chaucer s Complete Works reissued with a new foreword by Christopher Cannon Since F N Robinson s second edition of the The Works of Geoffrey Chaucer was published in 1957 there has been a dramatic increase in Chaucer scholarship This has not only enriched our understanding of Chaucer s art but has also enabled scholars working for the first time with all thesource material to recreate Chaucer s authentic texts For the third edition an international team of experts completely re edited all the works added glosses to appear on the page with the text and greatly expanded the introductory material explanatory notes textual notes bibliography and glossary In short the Riverside Chaucer is the fruit of many years study the most authentic and exciting edition available of Chaucer s Complete Works *Political Allegory in Late Medieval England* Ann W. Astell, 1999 Ann W Astell here affords a radically new understanding of the rhetorical nature of allegorical poetry in the late Middle Ages She shows that major English writers of that era among them William Langland John Gower Geoffrey Chaucer and the Gawain poet offered in their works of fiction timely commentary on current events and public issues Poems previously regarded as only vaguely political in their subject matter are seen by Astell to be highly detailed and specific in their veiled historical references implied audiences and admonitions Astell begins by describing the Augustinian and Boethian rhetorical principles involved in the invention of allegory She then compares literary and historical treatments of key events in fourteenth and fifteenth century England finding an astonishing match of allusions and code words especially those deriving from puns titles heraldic devices and personal cognizances as well as repeated proverbs prophecies and exempla Among the works she discusses are John Ball s Letters and parts of Piers Plowman which she presents as two examples of allegorical literature associated with the Peasants Revolution of 1381 Gower s allegorical representation of the Merciless Parliament of 1388 in Confessio Amantis and Chaucer s brilliant literary handling of key events in the reign of Richard II In addition Astell argues for a precise dating of Sir Gawain and the Green Knight between 1397 and 1399 and decodes the work as a political allegory **Studies in the Age of**
