After New Formalism:

After New Formalism Annie Finch, 1999 In recent years the New Formalist movement has been growing and changing quickly as poets from a variety of backgrounds and perspectives have found in formal poetics a tool of great potential range and power The common perception of New Formalism's methods and goals however has altered much more slowly After New Formalism is part of an expanding conversation on the formal possibilities of contemporary poetry and on the implications of formalism for poetic history practice and theory Contributors include Dana Gioia Mark Jarman David Mason Marilyn Nelson Molly Peacock and Adrienne Rich among others From the Introduction Over the years the mission and focus of this book changed to include thoughtful essays by poets engaging with formalism from outside its confines as well as by younger poets who came to formalism with a more theoretical bent than their elders While some of the essays here come much closer than others to my own vision of a multiformalism that truly encompasses the many formal poetic traditions including experimental traditions now native to the United States this collection of thoughts on form by poets contains fresh insights about the implications of formalism for poetic history practice and theory Annie Finch is the author of *The Ghost of Meter Culture and Prosody in American Free Verse* Michigan and the editor of *A Formal Feeling Comes Poems in Form by Contemporary Women* Story Line 1994 She teaches creative writing at Miami University in Oxford Ohio [Literary Theory and the New Testament](#)

Michal Beth Dinkler, 2019-11-26 A comprehensive case for a fresh literary approach to the New Testament For at least a half century scholars have been adopting literary approaches to the New Testament inspired by certain branches of literary criticism and theory In this important and illuminating work Michal Beth Dinkler uses contemporary literary theory to enhance our understanding and interpretation of the New Testament texts Dinkler provides an integrated approach to the relation between literary theory and biblical interpretation employing a wide range of practical theories and methods This indispensable work engages foundational concepts and figures the historical contexts of various theoretical approaches and ongoing literary scholarship into the twenty first century In *Literary Theory and the New Testament* Dinkler assesses previous literary treatments of the New Testament and calls for a new phase of nuanced thinking about New Testament texts as both ancient and literary
