Against The Current:

Against the Current Brian L. MacLearn, 2014-05-02 The premise You take two boys who meet at age 12 and then show their relationship 25 years later One has his promise taken from him by the controlling influence of first the bully and later the grand manipulator What begins as a story of constant abuse and the struggle to break free turns into a psychological suspense thriller as not all is what it seems The victim is in some ways as calculating as the bully and willing to sacrifice himself for the sake of others The power hungry manipulator will stop at nothing to keep his power and to keep his golden ticket from rising up against him One moment of bravery becomes the catalyst that ignites the war of attrition With the help of a kindred spirit the victim realizes that to break free from the tyranny of oppression the bully has to be thoroughly stopped A chess match of deathly proportions ensues within a thirty six hour period that leaves several people dead and the two men facing each other in a classic battle of to the death *Against the Current* answers the question of what happens if the bully is still in your life after twenty five years and you ve been pushed hard enough to fight back The characters are rich and believable true to themselves The setting is a mid sized Iowa town Evil comes in many forms and wears many faces *Against the Current* explores the evil behind the need to manipulate others and the inner strength of goodness that compels some of us to stand up to that evil

Against the Current Michael Brosnan, 1997 The schools in Providence Rhode Island like those in most large and midsize cities suffer alarming drop out rates In 1989 Urban Collaborative an independent public middle school for teenagers at risk of dropping out was founded The results have been phenomenal More than 80 percent of the students go on to graduate from high school Michael Brosnan uses the stories of the director students and teachers to explain how and why this school succeeds where so many have failed It s founder and director Rob DeBlois quadriplegic since a diving accident when he was twenty one has had to face many challenges of his own and the determination enthusiasm and ambition he brings to the Urban Collaborative are keys to its success Rather than just detailing the woes of America s inner city schools this book offers new insights into the complexity of education reform and provides practical suggestions for ways our schools can be transformed

Against the Current Kim Trevathan, 2023-08-18 In August 1998 Kim Trevathan summoned his beloved 45 pound German shepherd mix Jasper and paddled a canoe down the Tennessee River an adventure chronicled in *Paddling the Tennessee River A Voyage on Easy Water* Twenty years later in *Against the Current Paddling Upstream on the Tennessee River* he invites readers on a voyage of light hearted rumination about time memory and change as he paddles the same river in the same boat but this time going upstream starting out in early spring instead of late summer In sparkling prose Trevathan describes the life of the river before and after the dams the sometimes daunting condition of its environment its banks host of evolving communities and also the joys and follies of having a new puppy 65 pound Maggie for a shipmate Trevathan discusses the Tennessee River s varied contributions to the cultures that hug its waterway Kentuckians refer to it as a lake but Tennesseans call it a river and the writer s intimate style proves a perfect lens

for the passageway from Kentucky to Tennessee to Alabama and back to Tennessee In choice observations and chance encounters along the route Trevathan uncovers meaningful differences among the Tennessee Valley s people and not a few differences in himself now an older wiser adventurer Whether he is struggling to calm his land loving companion confronting his body s newfound aches and pains craving a hard to find cheeseburger or scouting for a safe place to camp for the night Trevathan perseveres in his quest to reacquaint himself with the river and to discover new things about it And owing to his masterful sense of detail cadence and narrative craft Trevathan keeps the reader at the heart of the journey The Tennessee River is a remarkable landmark and this text exhibits its past and present qualities with a perspective only Trevathan can provide

Swimming Against the Current Riley Gaines,2024-05-21 A NATIONAL BESTSELLER USA TODAY America s most effective and celebrated voice in the fight to save women s sports shares her unbelievable story and inspires readers to embrace common sense and truth Riley Gaines has been called many things Collegiate athlete All American Champion But in 2022 everything changed The narrative shifted Now critics smeared her as Transphobic Narrow minded Evil What changed Riley gave the truth a voice She stood up spoke out and dared to ask questions not just for herself but for all female athletes who refuse to accept an ideology where inclusivity for trans identifying male athletes now means treating women unfairly and putting their safety at risk Riley Gaines is changing minds in the process and this highly anticipated fearless pro woman book takes on controversial but critical questions we must confront about women and sports in America Can t we embrace policies that give everyone the chance to compete but still protect women and ensure they have a fair shot at success In this book Riley scrutinizes the perspectives of athletes on the opposing side of this debate deconstructing their arguments with science facts and logic She also asks what has happened to free speech and dissent in this country where it now seems nearly impossible to have a well reasoned debate And in telling her story Riley reveals what s at stake if the truth seekers remain silent about the injustices women face from radical agendas

Boats Against the Current Lewis Perry,2002-08 Boats Against the Current provides a fascinating account of how American culture emerged from the sheltered elitist world of the eighteenth century into the dynamic turbulent civilization that reached full bloom after the Civil War The antebellum years were times of flux and change years of a society rushing into the western wilds muscular and ambitious yet haunted by uncertainty about its future and its past Renowned scholar Lewis Perry begins his study with a fresh look at Andrew Jackson vividly recreating a time when Americans feeling their ties to the past disintegrating fostered a new fascination with history Then Perry introduces us to the observations of such articulate foreign travelers as Alexis de Tocqueville and Fredrika Bremer He deftly weaves together these writers perspectives to provide a fascinating look at our emergent nation Here too are the women of the cities and frontier the peddlers preachers and showmen along with such writers as Hawthorne Emerson Whittier and Parker Perry brings these personalities and writings together to show us how early nineteenth century America saw itself in both its promise and its fears Now available for the first time in paperback Boats Against the Current

offers a brilliant portrait of a society in the midst of change expansion and reflection about its own future and past Written by one of our leading intellectual historians it makes a major contribution to our understanding of the emergence of modern American culture Choosing to Lead Against the Current Eveline Shen,2025-08-05 This is the blueprint we need to lead with audacity transform oppression into power and ignite a future rooted in collective liberation Lateefah Simon US Congress member and MacArthur Genius Fellow Heart centered tools for social change leaders to foster courage keep momentum and manage burnout In the face of complex challenges capable leaders need more than a simple box of leadership tools They need an internal system of leadership a tested operating system to help them navigate successfully through forces of oppression while staying connected to their purpose values and vision In Choosing to Lead Against the Current award winning movement leader social change strategist and executive director Eveline Shen shares her Courageous Operating System a revolutionary system designed to help positive transformation leaders cultivate their power sustain themselves both mentally and physically and create lasting conditions for success With inspiring stories and case studies drawn from her own experiences as well as from her work with other change leaders topics include how to Turn encounters with adversity into sources of strength Redefine success on one s own terms Build creative momentum against forces of oppression Transform failures into progress Prioritize short and long term self care Shen s system has been taught to leaders in over 200 organizations across the U S and global South It s holistic in nature with different elements designed to work as one Choosing to Lead Against the Current takes readers through the system s components with exercises at the end of each chapter to help integrate them into any leadership style Shen s offering teaches anyone leading against the current how to harness their full leadership power to build a future that values the liberation of all people and life on this planet
