Carolyn Forché, 1995 **Theoretical Perspectives on Human Rights and Literature** Elizabeth Swanson Goldberg, Alexandra Schultheis Moore, 2013-03 What can literary theory reveal about discourses and practices of human rights and how can human rights frameworks help to make sense of literature How have human rights concerns shaped the literary marketplace and how can literature impact human rights concerns Essays in this volume theorize how both literature and reading literarily can shape understanding of human rights in productive ways Contributors to *Theoretical Perspectives on Human Rights and Literature* provide a shared history of modern literature and rights theorize how trauma ethics subjectivity and witnessing shape representations of human rights violations and claims in literary texts across a range of genres including poetry the novel graphic narrative short story testimonial and religious fables and consider a range of civil political social economic and cultural rights and their representations The authors reflect on the imperial and colonial histories of human rights as well as the cynical mobilization of human rights discourses in the name of war violence and repression at the same time they take seriously Gayatri Spivak's exhortation that human rights is something that we cannot not want exploring the central function of storytelling at the heart of all human rights claims discourses and policies

*Virtues from Hell: Survivors of Conflicts and the Reconstruction-Reconciliation Processes* Fidèle Ingiyimbere, 2022-01-01 This book offers a critical examination of certain ideas and values such as remembering forgiveness story telling through Truth and Reconciliation Commissions etc that undergird the transitional practices and mechanisms of societies emerging from conflicts It does so by making the survivors experience the supreme and ultimate judge of the legitimacy of such practices While many scholars have dealt with these topics this book provides a unique perspective on them by using personal stories narratives and memoirs of the survivors as a checking point of the theoretical elaboration of these ideas and values By means of an existential phenomenological analysis of the situation of survivors of gross human rights violations the book assesses how many resources are still available to them so that they can contribute to the processes of reconstruction and reconciliation of their societies This analysis constitutes the background for reading the rest of the book which challenges some assumptions and presumptions of transitional practices such as healing through truth telling or providing justice through reparations It does so by presenting nuanced suggestions on the ways survivors can participate in the reconstruction reconciliation processes without jeopardizing their own well being *Reckoning with Pinochet* Steve J. Stern, 2010-04-30 The first comprehensive account of how Chile came to terms with General Augusto Pinochet's legacy of human rights atrocities **The Power of Memory and Violence in Central America** Rachel Hatcher, 2018-05-11 This book explores the power of words in post Peace El Salvador and Guatemala their violent and equally liberating power The

volume explores the entire post Peace Accords era in both Central American countries In post conflict settings denying or forgetting the repressive past and its many victims does violence to those victims while remembering and giving testimony about the past can be cathartic for survivors relatives and even for perpetrators This project will appeal to readers interested in development societies in transition global peace studies and Central American studies
