Bunkhouse Logic:

Bunkhouse Logic Ben Stein,1981-11-01 Offers ten guidelines for living a successful and happy life including how to set and achieve goals and get along with people How Successful People Win Ben Stein,2010-08-06 How Successful People Win is a serious self help book using as its central metaphor the life of the cowboy and his behavior as he leaves his bunkhouse Based upon a lifetime of observation of the successful and how they got that way Ben Stein suggests that you imitate the determination inner mobility activity flexibility and the refusal to indulge in self pity of the cowboy in order to get what you want out of life The idea is that if you never indulge in making excuses refuse to let other peoples hang ups get in your way and move deliberately toward clearly thought out goals you will get where you want to go Just as the cowboy refuses to allow himself to get sidetracked by trivia so can you refuse to allow lifes inevitable challenges and distractions mar your own success and happiness The choice is yours **Bunkhouse Logic** Benjamin Stein,2006* *The Real Stars* Ben Stein,2010-07 Is Barbra Streisand a star Is Bruce Springsteen a star Is Sean Penn a star Are any of the Hollywood players who endlessly complain about America and make 20 million per picture and say that America is a racist imperialist country a star Ben Stein doesn t think so He says that the men and women who wear the uniform of the United States of America and fight for our freedom while risking their lives for 1 500 a month are the real stars He says the real stars are the ones who fight fires and fight crime and teach autistic children for modest wages When Ben wrote this in an online essay not too long ago it became one of the most widely circulated pieces in the history of the Internet Likewise when Ben said that he had no idea who Nick and Jessica were and wondered why they got so much media attention but that he knew for sure that there was no harm in Americans wishing each other Merry Christmas or hanging Christmas wreaths and that as a Jew he did not feel at all offended by the celebration of Christmas his column was circulated to millions These columns have appeared in The New York Times on CBS News in The American Spectator and on E Online Here Ben has compiled them into a book of commentaries that will help you get your head on straight about what is important in our world today and what is nonsense You will feel anger joy and sadness as you read these essays and you are sure to learn something valuable from all of them
