## **Burma Road:**

**The Burma Road** Donovan Webster, 2004-09-07 As the Imperial Japanese Army swept across China and South Asia at World War II's outset closing all of China's seaports more than 200,000 Chinese laborers embarked on a seemingly impossible task to cut a 700-mile overland route—the Burma Road—from the southwest Chinese city of Kunming to Lashio, Burma. But when Burma fell in 1942, the Burma Road was severed. As the first step of the Allied offensive toward Japan, American general Joseph Stilwell reopened it while at the same time keeping China supplied by air lift from India and simultaneously driving the Japanese out of Burma. From the breathtaking adventures of the American Hump pilots who flew hair-raising missions over the Himalayas to make food drops in China to the true story of the mission that inspired the famous film *The Bridge on the River Kwai* to the grueling jungle operations of Merrill's Marauders and the British Chindit Brigades, *The Burma Road* vividly re-creates the sprawling, sometimes hilarious, often harrowing, and still largely unknown stories of one of the greatest chapters of World War II. *The Building of the Burma Road* Pei-ying T'an, 2020-01-09 *The Building of the Burma Road*, first published in 1945, is a fascinating firsthand account of the layout and construction of the famous Burma Road by the engineer who was put in charge of the job in 1938. The engrossing story describes the unique combination of native peoples' materials, tools, and machinery used to complete the road and the extreme challenges faced, such as lack of proper equipment, impenetrable rock, malarial swamps, dense jungle, and the outbreak of World War II. Included are 2 maps and 16 pages of illustrations. **The Burma Road** Donovan Webster, 2014-01-30 In the tradition of *Band of Brothers* and Anthony Beevor's *Stalingrad*, Donovan Webster's *The Burma Road* vividly recreates one of the astonishing and important events of the Second World War and the basis for the film *The Bridge over the River Kwai*. With gripping prose, Webster follows the breathtaking adventures of the Allied Hump pilots who flew hair-raising missions over the Himalayas, delivering food and supplies to the 200,000 Chinese laborers charged with creating an overland link with the outside world. For the first time, we learn of the war in Burma from the perspective of the soldiers who fought and died there—the bravery, hardships, and fears that motivated them to risk everything to avoid a full Japanese occupancy of China. Touching, moving, and riveting, Webster's account of this grueling and arduous campaign is a brilliant and important history as well as an epic adventure story. A compelling narrative, the opposing armies pursue one another through tiger-infested jungles plagued by leeches as they slog miserably from firefight to firefight. This is great material, and Webster handles it well. *Los Angeles Times*. **The Building of the Burma Road** Pei-ying Tán, 1945 Record of the construction of a supply road through the mountains and jungles of Burma in World War II. **Burma Road** Nicol Smith, 1940 Account of the author's experiences and adventures during a trip over the Burma Road. **LIFE**, 1940-07-29 *LIFE Magazine* is the treasured photographic magazine that chronicled the 20th Century.
