## **Back To Bismarck Eastern European Health Care In Systems Transition:**

**Back to Bismarck** Jörgen Marrée, P. P. Groenewegen, 1997 As communism fell in Europe a period of transformations began in several areas This work examines the changes in health care in the former German Democratic Republic the Czech and Slovak Republics Hungary and Poland The book consists of two parts the first containing a general description and analysis of the health care systems of the countries studied The appraisal of what has been achieved is made possible by comparison with the state of the health care structure before the collapse of communist rule In the second part a more detailed description of developments is given

**Health Reforms in Post-Communist Eastern Europe** Tamara Popic, 2023-01-01 This book provides the first in depth study of healthcare reforms in post communist Eastern Europe Combining insights from comparative politics and public policy analysis it examines health reforms in Slovenia the Czech Republic and Poland between 1989 and 2019 The book argues that the post communist transformation of healthcare policy has entailed a process of policy learning and that the countries reform pathways were shaped by a series of initiatives aimed at applying market oriented policy ideas in healthcare The success of these initiatives has been influenced by three factors policy legacies political competition and institutional configurations The book offers a novel comparison of health reform in the region and policy changes more generally It will appeal to scholars and students of public policy health policy and European politics

Regional Comparisons in Comparative Policy Analysis Studies Iris Geva-May, B. Guy Peters, Joselyn Muhleisen, 2020-06-29 Volume Three of the Classics of Comparative Policy Analysis contains chapters concerned with Regional Comparisons and Policy Analysis one of the most prevailing approaches in comparative public policy Through the prism of inter jurisdiction comparisons of similarities and variations they address comparisons in specific policy sectors governance or institutional constructs and political regimes The foci are nevertheless on those comparisons between countries or regions which help to lesson draw by identifying and understanding the variation in policy analysis and policy making that exists within or across regions One benefit of regional comparisons is that it often allows studies to hold constant many variables ranging from colonial legacy to federal systems or from language to specific traditions and more effectively isolate dependent variables Regional organizations like the Organization for Economic Co operation and Development OECD or European Union are also considered as catalysts for regional policy approaches and harmonization and occupy a major role in this volume The chapters address a broad and diverse number of countries and geographical areas Latin America North America East Asia Southeast Asia Southern Africa the Baltic states the Nordic states Western Europe Central Europe Eastern Europe and Europe as a whole Regional Comparisons and Policy Analysis will be of great interest to scholars and learners of public policy and social sciences as well as to practitioners considering what can be learned or facilitated through methodologically and theoretically sound approaches The chapters were originally published as articles in the Journal of Comparative Policy Analysis which in the last two decades has pioneered the development of

comparative public policy The volume is part of a four volume series the Classics of Comparative Policy Analysis including Theories and Methods Institutions and Governance Regional Comparisons and Policy Sectors Each volume showcases a different new chapter comparing domains of study interrelated with comparative public policy political science public administration governance and policy design authored by the JCPA co editors Giliberto Capano Iris Geva May Michael Howlett Leslie A Pal and B Guy Peters

Health Policy And European Union Enlargement McKee, Martin, MacLehose, Laura, Nolte, Ellen, 2004-04-01 What are the implications of the different levels of health in an enlarged EU Will free movement of goods services and people within an enlarged EU be good for health and health care What have we learned from past enlargements European national policy makers broadly agree on the core objectives that their health care system should pursue The list is straightforward universal access for all citizens effective care for better health outcomes efficient use of resources and high quality services responsive to patient s concerns It is a formula that resonates across the political spectrum and which in various sometimes inventive configurations has played a role in most recent European national election campaigns While there may be consensus on the broader issues expectations differ between EU countries and with the enlargement of 2004 matters become more complex This book seeks firstly to assess the impact of the enlargement process and then to analyse the challenges that lie ahead in the field of health and health policy Written by leading health policy analysts the book investigates a host of areas including Health care investment International recruitment of nurses and doctors Health and safety Communicable disease control European pharmaceutical policy Health Policy and European Union Enlargement will be of interest to students of health policy economics public policy and management as well as health managers and policy makers Contributors Tit Albrecht Roza Adany Ivana Bozicevic James Buchan Richard Coker Evgenia Delcheva Carl Ardy Dubois Anna B Gilmore Antero Heloma Rainer Hess Elke Jakubowski Nicholas Jennett Panos Kanavos Manuel Lobato Karen Lock Laura MacLehose Martin McKee Sally Nicholas Ellen Nolte Stjepan Oreskovic Esa Osterberg Anne Marie Rafferty Magdalene Rosenm ller Alison Wright Reid Monika Zajac Witold Zatonski *European Union Health Law* Tamara K.
