Back To Virtue:

Back to Virtue Peter Kreeft, 2009-10-27 We have reduced all virtues to one being nice And we measure Jesus by our standard instead of measuring our standard by Him For the Christian explains author Peter Kreeft being virtuous is not a means to the end of pleasure comfort and happiness Virtue he reminds us is a word that means manly strength But how do we know when we are being meek or just cowardly When is our anger righteous and when is it a sin What is the difference between being virtuous and merely ethical *Back to Virtue* clears up these and countless other questions that beset Christians today Kreeft not only summarizes scriptural and theological wisdom on leading a holy life he contrasts Christian virtue with other ethical systems He applies traditional moral theology to present day dilemmas such as abortion and nuclear armament Kreeft restores to us what was once common knowledge the Seven Deadly Sins have an antidote in the Beatitudes By setting up a close contrast between the two sets of behaviors Kreeft offers proven guidance in the often bewildering process of discerning right from wrong as we move into the questionable mores of the twenty first century He provides a road map of virtue a map for our earthly pilgrimage synthesized from the accumulated wisdom of centuries of Christians from Paul and the early Church Fathers through C S Lewis *Post-Christendom Studies: Volume 3* Steven M. Studebaker, Lee Beach, Gordon L. Heath, 2019-08-29 *Post Christendom Studies* publishes research on the nature of Christian identity and mission in the contexts of post Christendom Post Christendom refers to places both now and in the past where Christianity was once a significant cultural presence though not necessarily the dominant religion Sometimes Christendom refers to the official link between church and state The term post Christendom is often associated with the rise of secularization religious pluralism and multiculturalism in western countries over the past sixty years Our use of the term is broader than that however Egypt for example can be considered a post Christendom context It was once a leading center of Christianity Christendom moreover does not necessarily mean official public and dominant religion For example under Saddam Hussein Christianity was probably a minority religion but for the most part Christians were left alone After America deposed Saddam Christians began to flee because they became a persecuted minority In that sense post Saddam Iraq is an experience of post Christendom it is a shift from a cultural context in which Christians have more or less freedom to exercise their faith to one where they are persecuted and or marginalized for doing so [Ancient Wisdom for the Care of Souls](#) Coleman M. Ford, Shawn J. Wilhite, 2024-07-09 *Recovering the Wisdom of Early Christian Figures to Effectively Shepherd Modern Churches* In addition to the regular demands of preaching and shepherding modern pastors feel undue pressure to entertain congregants and increase attendance numbers Often churches resort to the latest business models to keep pace But true life giving guidance lies in Scripture and the wisdom of those having come before us *Ancient Wisdom for the Care of Souls* helps pastors to embrace a classic biblical vision of ministry through the study of selected pastoral virtues and early church figures Gregory of Nyssa and Gregory the Great both referred to ministry as the care of souls Calling for a return to the sources

professors Coleman M Ford and Shawn J Wilhite ponder what a scriptural vision of ministry is how patristic voices help inform this vision and how pastors today can cultivate this pastoral vision in their churches Each chapter examines an important pastoral topic such as humility the sacraments and contemplative theology and brings it to life through a constructive model and profiles of early church fathers Encouraged by the patristic wisdom of Irenaeus Athanasius John Chrysostom and more readers learn a simple and slower model for pastoring that they can emulate as they care for their communities A slower pace of life may in fact help pastors cultivate the soil of souls more richly and as a result return to ministry as the care of souls Applicable Enriches the spiritual and ministerial practices of modern pastors through ancient church wisdom pastoral reflections and examples from Scripture Theological and Historical Features detailed profiles of church fathers including Ambrose of Milan Augustine Gregory of Nazianzus Basil of Caesarea Gregory of Nyssa and others Written for Students and Pastors Ideal for college level courses as well as new or seasoned ministers **The Christian Virtues in Medical Practice** Edmund D. Pellegrino, David C. Thomasma, 1996-04-01 Christian health care professionals in our secular and pluralistic society often face uncertainty about the place religious faith holds in today's medical practice Through an examination of a virtue based ethics this book proposes a theological view of medical ethics that helps the Christian physician reconcile faith reason and professional duty Edmund D Pellegrino and David C Thomasma trace the history of virtue in moral thought and they examine current debate about a virtue ethic's place in contemporary bioethics Their proposal balances theological ethics based on the virtues of faith hope and charity with contemporary medical ethics based on the principles of beneficence justice and autonomy The result is a theory of clinical ethics that centers on the virtue of charity and is manifest in practical moral decisions Using Christian bioethical principles the authors address today's divisive issues in medicine For health care providers and all those involved in the fields of ethics and religion this volume shows how faith and reason can combine to create the best possible healing relationship between health care professional and patient Wisdom and Wonder Brandon Vogt, 2021-10-26 Few figures have impacted the rising generation of Catholics more than Peter Kreeft the widely respected philosophy professor and prolific bestselling author of over 80 books Through his writings and lectures Kreeft has shaped the minds and hearts of thousands of young apologists evangelists teachers parents and scholars This collection of eighteen essays mainly by millennial Catholic leaders and converts to the Catholic faith celebrates Kreeft's significant legacy and impact his most important books and the many ways he has imparted to others those two seminal gifts wisdom and wonder Among the eighteen contributors to this book are Brandon Vogt Trent Horn Tyler Blanski Dr Douglas Beaumont JonMarc Grodi Jackie Angel Matthew Warner Rachel Bulman Fr Blake Britton and others My Wife and I Harriet Beecher Stowe, 1899 Plymouth Pulpit Beecher, Henry Ward, 1882 The Complete Romances of Voltaire Voltaire, 1927 The History of Christianity Etienne Ursin Bouzique, 1875 A Concordance to the Poems of Robert Browning Leslie Nathan Broughton, Benjamin Franklin Stelter, 1925 Preacher and Homiletic Monthly
