## **Backstage With Actors:**

*Backstage with Actors, from the Time of Shakespeare to the Present Day* Helen Ormsbee, 1938 [Backstage With Actors](#)  
Helen Ormsbee, 1938-06-01 [Answers from The Working Actor](#) Jackie Apodaca, Michael Kostroff, 2018-03-09 For nearly a decade Jackie Apodaca and Michael Kostroff shared duties as advice columnists for the actors trade paper *Backstage*. Their highly popular weekly feature *The Working Actor* fielded questions from actors all over the country. A cross between *Dear Abby* and *The Hollywood Reporter*, their column was a fact-based, humorous, compassionate take on the questions actors most wanted answered. Using some of their most interesting, entertaining, and informative columns as launch points, *Answers from The Working Actor* guides readers through the ins and outs and ups and downs of the acting industry. Apodaca and Kostroff share an approach that is decidedly on the ground. They've both labored in the trenches just like their readers, dealing with auditions, classes, photos, resumés, rehearsals, contract negotiations, representatives, jobs, challenging colleagues, and the search for that elusive life-career balance. There are few absolutes in the acting profession, and virtually no proven and reliable steps. Unlike books that claim to offer *Quick Steps to a Successful Acting Career*, *Answers from The Working Actor* deals honestly with the realities, providing facts, options, strategies, stories, points of view, and the wisdom of experience, while ultimately challenging readers to make their own decisions. This book will give new actors a head start on their journeys and remind experienced professionals that in the acting business, there is never only one answer to any question. [30 Plays for Child Actors](#) Gorman John Ruggiero, 2023-12-07 For over thirty-five years, Gorman John Ruggiero trained child actors. The many productions are represented in this collection of his plays. These works include folktales, mythology, religious stories, and original works that can help children learn some of life's lessons by acting them out on stage. Ruggiero spent many years working with children on the autism spectrum, and many of these plays were performed jointly with typically developing children to great success. This process truly enhanced the communication skills of the child actors, as well as helped develop in them an understanding of autism. Many friendships were created during the rehearsal and performance process, as children learned about one another's differences and commonalities. In a world where communication is sorely lacking, Ruggiero believes that physical, emotional, and intellectual expression found in the performing arts is crucial for the success in personal and professional relationships. Helping children perform these plays will advance that notion. [Sticks and Stones](#) Don Kukla, 1993 **Backstaging Modern Chinese Theatre** Man He, 2025-07-01 Modern Chinese theatre once entailed a variety of forms, but now it primarily refers to spoken drama or huaju. *Backstaging Modern Chinese Theatre* looks beyond scripts to examine visuality, acoustics, and performance between the two World Wars, the period when huaju gained canonical status. The backstage in this study expands from being a physical place offstage to a culturally and historically constructed social network that encompasses theatre networks, academies, and government institutions, as well as the collective work of dramatists, amateurs, and cultural entrepreneurs. Early huaju was not a mere imitation of Western realist

Japanese Prints Together with interpretive essays that place the prints in their historical and cultural context the authors offer a catalog of 880 prints 136 of them in color containing the most complete and up to date information available about each print Donald Jenkins s essay explains printmaking and explores the lives and milieu of the Katsukawa school print makers Timothy Clark in his essay vividly depicts the world of Kabuki theater and describes a particular production of a popular play from the vantage points of various participants Osamu Ueda has provided dates and identification for the subjects of many of the prints in the collection as well as biographies of the leading Kabuki actors and brief lives of the printmakers of the Katsukawa school

**Gendered Situations, Gendered Selves** Judith A. Howard, Jocelyn A. Hollander, 1997 Social psychologists have often assumed that situations and behavior are gender neutral yet assumptions about gender have affected the questions they have posed as well as the answers they have provided Gendered situations gendered selves is the second volume in the new Gender lens series a groundbreaking series that looks at the complex and fascinating role of gender within our social world Authors Judith A Howard and Jocelyn A Hollander explore the ways in which social psychology has simultaneously ignored and been deeply influenced by gender carefully noting that gender differences are not the same as sex differences Also discussed are the approaches to gender in social psychology research how social psychology theories have been shaped by assumptions about gender race class and sexuality and the way gender influences identity and interaction The mission of the Gender lens series is to unpack the assumptions about gender that pervade social life and to examine the centrality of the assumptions about the way we perceive and interpret our world Gendered situations gender selves is an ideal introduction to the discussion of gender in social psychology and will be useful in sociology and gender studies courses
