## **Blueprint For Rapture:**

*Blueprint for Rapture* Lenora Barber, 1983      **God's Blueprint of the Ages** Jim Foster, 2020-11-12 God's Blueprint of the Ages developed as lesson plans through several years of Bible study and sermon preparation To show a visual presentation of Biblical Chronology a graphic chart was drawn step by step that showed how God worked with His created earth from eternity past to eternity future Various time periods called ages or dispensations is shown graphically as a timeline How Satan tried unsuccessfully to thwart God's plan throughout history is also presented Old Testament prophecy and New Testament Grace is expanded within the chapters that reference and explain the symbols on the chart Many references to the Word of God are noted within each chapter to verify each explanation      **God's Plan for the Ages, 2nd Edition** David Reagan, 2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don't have to guess The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God's plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you      **God's Prophetic Blueprint** Bob Shelton, 2000 God's Prophetic Blueprint presents a clear discussion of Bible prophecies concerning the final days of the earth and God's judgment of mankind including the rapture of the church the Battle of Armageddon and the Great White Throne Judgment Throughout the book Dr Bob Shelton offers answers to many questions concerning these things Matthew 24:6 Back cover      *Ninety Dozen Glasses* Marguerite Cullman, 1960      **The Great Disappearance** Dr. David Jeremiah, 2023-10-03 An Instant Wall Street Journal USA Today and Publishers Weekly Bestseller The rapture is the central event in biblical prophecy But what does it mean for us today How can this crucial end times event draw us nearer to God in a world that is seemingly on the brink of chaos Political turmoil economic uncertainty an ideological divide that feels increasingly impassable the signs of the times point us toward the end and that can be disconcerting But the greatest truth about the rapture is not its timing but its reality for blessed are all who long for His appearing The Great Disappearance is a culmination of decades of Dr Jeremiah studying end times throughout the Bible In this definitive volume he will explain the meaning of the word rapture the difference between the rapture and the second coming and the joy of expecting our Savior to come at any given moment Dr Jeremiah will also explore key questions such as Who will be raptured When will it happen What will happen to those left behind What will believers experience when they are taken away to heaven Will non believers still have time to repent and be saved Dr Jeremiah seeks to answer all of those questions and many more not with sensationalism or stories ripped from the headlines but with solid biblical truth Because God has laid out His plan for us in His Word so that we might not be caught

unaware We may not know the exact date that the rapture will happen but we do know it will happen Are you ready for it Interested in learning more Don t miss out on The Great Disappearance Study Guide and be sure to check out other books by Dr David Jeremiah The Book of Signs Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World Is This The End After the Rapture The Great Disappearance Study Guide *Blueprint* ,2008 *What Should I Believe?* Hubert F. Beck,1980 Discusses current forms of religious expression many of which have been repeatedly propagated and rejected since the time of Christ *The Rapture* Robert Bruce Record,197? [The Rapture and Beyond, Revised and Enlarged](#) John Whitcomb,2013-09-26 The Rapture and Beyond unfolds God s revealed plan for the future of the church Israel all mankind and the entire universe From the rapture of believers and their heavenly rewards to the amazing events of the tribulation to the coming kingdom with its temple these studies focus on important themes of biblical prophecy their proper interpretation and their relevance to Christians today The revised edition has three new chapters *Overtaken Unawares* Norman L. Lane,2015-09-10 When it comes to the subject of the rapture most people are only concerned with the question of whether it will happen before during or after the tribulation There are however much more important issues concerning it that need to be addressed issues with eternal consequences for our lives There are aspects of the rapture that popular teaching on the subject usually ignores so many Christians have not been prepared to deal with much of what scripture says concerning it In OVERTAKEN UNAWARES we confront these issues head on and answer questions like Does the Bible teach the rapture of the church Is there really more than one second coming of Christ Can we definitively answer the question of where to place the rapture on the prophetic timeline Will all Christians be raptured Are there any qualifications for being taken in the rapture beyond receiving salvation by faith in Christ Will all believers inherit the kingdom of God and what does this have to do with the rapture What is the Judgment Seat of Christ and what does it have to do with the rapture Are there other rapture events in scripture and if so what do they teach us about it Will the church be raptured before the revelation of the antichrist Do we know who the antichrist is and is he active in the world today Where does the rapture occur in the Book of Revelation What is actually going on in the places that people usually try to put the rapture What specific end times persecution will Christians face before the rapture Have any of the seals on the scroll in Revelation been opened If so where are we at in the seals and what will happen next What is the sixth seal disaster Can we avoid it along with the rest of the tribulation Why do we need to make our calling and election sure How do we do that Is Satan doing anything to prepare for the rapture Because many believers have not been taught the whole truth about these things they may soon find that they have been OVERTAKEN UNAWARES by events that are on the horizon right now There is no need to go blindly into the future when the truth is there for anyone who will carefully consider it to see There is much reason to be hopeful if you are properly prepared for what is coming so it is my prayer that you will read this book take to heart what God s word says about these things and share it with anyone who will listen so you and they will not be

accepting or rejecting this doctrine are of such importance to the eternal spiritual destiny of man that it is deserving of very close examination Stevens goes back to the account at the beginning in Genesis examining scriptural descriptions of God s divine plan for the world from both the Old and New Testaments as well as His reasons for placing man on the earth in flesh bodies She then takes an in depth look into some of the areas that God s people have not understood and serves to clarify some questions we have often pondered but for which we have found no real answers Stevens examines future prophetic events of the end times and man s role in them in order to answer the question of her study is the rapture a doctrine taught in the Bible or is it only a tradition that man has devised for his own comfort and salvation
