Practical Boat-Sailing: A Concise and Simple Treatise Douglas Frazar,2022-05-28 In Practical Boat Sailing A Concise and Simple Treatise Douglas Frazar demystifies the art of sailing with a clarity and thoroughness that appeals to both novice and seasoned sailors Drenched in practical knowledge the book eschews verbose jargon in favor of an approachable style that emphasizes essential skills and techniques Frazar adeptly captures the lyrical beauty of sailing while also providing crucial navigation tips weather insights and safety precautions making the book not just an instructional guide but also a celebration of maritime life Set against the backdrop of the late 19th century when recreational sailing was becoming increasingly popular this work reflects a shift towards empowering amateur sailors with the confidence to explore waterways independently Douglas Frazar a noted sailor and maritime enthusiast of his time crafted this treatise drawing from his extensive personal experiences and observations on the water His background likely informs his emphasis on practical skills as the foundation of successful sailing rather than merely theoretical knowledge Frazar s insights resonate within the practical ethos of the maritime community of his era which valued hands on experience and shared wisdom This book is highly recommended for anyone interested in sailing providing a holistic introduction to the core practices crucial for safe and enjoyable sailing adventures Frazar s engaging narrative and straightforward instructions will inspire readers to take to the water with confidence making this treatise an essential addition to both personal libraries and maritime heritage In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *The book of the sailboat* A. Hyatt Verrill,2015-12-01 Reprint of the famous original which has originally been published in 1916 Sailing Craft Edwin J. Schoettle,1928 **A Manual of Yacht and Boat Sailing** Dixon Kemp,1882 **Model Sailing Boats** Edward W. Hobbs,1929 Model Yachts and Model Yacht Sailing James E. Walton,1880 This illustrated guidebook shows in superb detail how to construct a model toy yacht and successfully sail it in shallow waters With ample detail inclusive of materials guidance measurements and planning from conception to sailing this guide excels as an introduction to building model boats The yacht depicted is a small sailboat with a classic elegance and simplicity that demonstrates the principal elements of nautical seaworthiness a well constructed and sealed hull sails capable of carrying wind to propel the craft and a precisely shaped and measured deck beam and keel At the beginning of this primer the author explains that the finished craft described is the product of repeated experiments and refining of the yacht design and construction process He only submitted this guide for publication once the finished yacht

was deemed both sound and accessible to aspiring model makers The step by step instructions are accompanied by over fifty sketches many labeled with precise dimensions to assist the reader in successfully building the yacht [Boating](#) ,1961-01
