THE BODY PARAGRAPHS

The three middle paragraphs in an opinion essay are the body paragraphs. Each paragraph describes one of the reasons for your opinion (the same reasons briefly listed in the introduction paragraph) and includes details to describe and explain that reason.

It has three parts:

- Topic Sentence with the first reason
- Details to describe and explain the reason
- Conclusion Sentence

ARCHERY AS A HOBBY

One reason archery is an excellent hobby is that it helps develop focus and patience. When you practice shooting with your bow and arrow, you have to focus on your form, breathing, and target. In addition, to shoot a bow accurately, you must slow down and concentrate. If you rush the shot, you will become disappointed in the results. It takes patience to become skilled at this sport. Over time, not only will your aim improve, but so will your focus and patience. Archery helps encourage a calm, patient attitude and a single-minded focus.
