*Bodyguard Rescue* Donna Young,2012-02-15 THE HUNTED Nuclear physicist Kate MacAlister had made a valuable scientific breakthrough and someone wanted her formula badly enough to kill for it But staging her disappearance only brought her face to face with Roman D Amato the enigmatic man who d broken her heart years ago Now it seemed the only way to keep one step ahead of the dangerous men on her trail and keep her research safe was to join forces with Roman the stalwart bodyguard who made her pulse race But solving the clues to the perilous puzzle that only brought them closer together seemed less daunting than facing the feelings provoked by Roman s tender touch *Bodyguard Rescue* Donna Young,Delores Fossen,2005

**Colton 911: Baby's Bodyguard (Mills & Boon Heroes) (Colton Search and Rescue, Book 2)** Lisa Childs,2019-07-11 From detective to daddy Can an ex cop guard a vulnerable family [Bible Lessons for Broken People](#) William Bender Ph.D.,2020-02-07 This is a book to hand to a broken teenager captured by pills pot or meth This is a book for a woman from an abusive background who feels unworthy of love This is a book to hand to a recovering addict desperately seeking the strength to fight on a day to day basis the cravings of the addiction Tough forceful and poignant This is exactly the Bible study book ministers and Christian counselors have been waiting for So very many people in the modern world are deeply broken some are so broken that they refuse to even enter a church Whether victims of child abuse neglect addiction or sexual exploitation these broken people young and old are crying out for help even as their fierce pride forces them to refuse any help that is offered When pride is all you have pride is what you cling too These broken individuals have lived in hell already and that fierce desperate pride kept them alive even as it now blocks their progress For those deeply broken people this book is the answer It speaks to the brokenness directly to the heart of the darkness that many broken people feel with each breath speaking with an authentic direct message of Jesus s love and compassion The Rogue Warriors document at the first of this book grabs the broken reader by the throat and lets those individuals know that many others have been in their situation before and have found help in these pages The Bible lessons themselves tackle the harshest issues facing people today fear frustration a complete desperate sense of aloneness homosexuality child sex abuse the problem of evil contemplations of suicide overwhelming guilt dark rage unforgiving hatred and the deeply felt need to find peace amid the darkness of one s lost soul This book does not mince words and the most challenging issues facing broken people today are presented and discussed herein using the Bible and when possible Jesus s own words The minister or counselor should discuss each lesson with these broken ones leading them through these pages as the broken grow stronger in their newly found hope their faith Even when they read alone without a counselor this book can reach broken people It could be a gift for many It will be a lifeline for some As Christians we know that Jesus can and does change even the most broken lives This book presenting Jesus s love and compassion will help him do exactly that *Secret Agent, Secret Father* Donna Young,2008-09-01 Left for dead spy Jacob Lomax had no recollection of who he was or who had tried to kill

him The only thing he responded to was Grace Renne and she made his body feel very much alive Grace was all too familiar with Jacob's body but his emotions had always been hidden from her His sudden appearance on her doorstep had frightened and excited her Never had she seen this side of him lethal but protective He was the perfect man to keep her and her baby safe from hard core killers but did he have the skills to be a proper father too *Captive of the Desert King* Donna Young,2009-07-01 As the King of Taer Jarek Al Asadi was used to having total control but then he met the feisty and independent American Sarah Kwong Sarah made him forget his responsibilities as a royal until he discovered she was a journalist She had been granted unrestricted access to his kingdom but not his private life Determined to keep her at arm's length Jarek's plans were thwarted when his enemies set their deadly sights on Sarah Racing to her rescue he became her only hope for survival in the unforgiving desert And she as always was the one temptation he couldn't resist **Tempted by the Bodyguard** ELLE. CHILDS JAMES (LISA. MILES, CASSIE.),Lisa Childs,Cassie Miles,2020-02-20 Passion with Protection Kidnapped Shelby O'Hara is grateful to be rescued by handsome Secret Service agent Daniel Henderson But is not happy with the 24/7 protection he insists on especially as the two can't get along until the fighting stops with a torrid kiss Now the danger is to Shelby's heart Threats are nothing new for FBI Special Agent Nicholas Rus But when a night of passion with girl next door Annalise Huxton puts her in danger Nick knows he has to do something drastic He'd do anything to protect her and her surprise baby bump Starting a new job as a Nanny Lexie DeMille did not expect her employers home to be ambushed Enter bodyguard Mason Steele His focus should have been on protection But unravelling Lexie's secrets became critical to the case and to his own private agenda *Distributing the Harm of Just Wars* Sara Van Goozen,2021-03-11 This book argues that the risk of harm in armed conflict should be divided equally between combatants and enemy non-combatants International law requires that combatants in war take all feasible precautions to minimize damage to civilian objects injury to civilians and incidental loss of civilian life However there is no clear explanation of what feasible precautions means in this context or what would count as sufficiently minimised incidental harm As a result it is difficult to judge whether a particular war or offensive actually satisfies this requirement Just war theorists often consider it common sense that merely not intending to harm innocent civilians is not sufficient but there is little clarity in the literature regarding what this means One crucial question that is almost always overlooked is that of what the appropriate baseline distribution of risk should be This book defends the Minimal Harm Requirement MHR which states that combatants should make an effort to reduce merely foreseen harm to enemy non-combatants to the lowest reasonable level In order to assess which risk impositions are reasonable and which are not an egalitarian baseline should be adopted suggesting that other things being equal risk of harm should be distributed equally between just combatants and unjust non-combatants This book will be of much interest to students of just war theory ethics security studies and international relations [His Secret Quintuplets](#) AZCCULTURE,2024-05-18 Now I'm caring for five children as a mother I'm simply an average girl who had an unexpected

kid after having an unfortunate encounter with a guy 5 more A number of years later I made another attempt to enter the workforce but this time I met with much resistance My memory of the dashing person makes me think he will become a powerful business leader He was charming affluent and surprisingly commanding Years later he still carried a grudge over the gratuity I had given him and relentlessly teased me but I let it go since he was unaware of my family situation Dear children your father is a micromanager We need him so much
