Cordry,2015-08-31 All cultures have proverbs that capsulize subjects simply and effectively Many of these are cross cultural For example according to a Danish proverb The greater the fear the nearer the danger while a Latin proverb says The less there is of fear the less there is danger This work includes over 20 000 proverbs from more than 120 languages nationalities and ethnic groups The proverbs are arranged under 1 300 headings e g accidents divided loyalty marriage prosperity shame and each includes the nationality group or language in which it originated Comprehensive keyword and subject indexes allow access to the material in multiple ways The Bad Beginning 20th Anniversary Gift Edition Lemony Snicket,2021-01-07 The Bad Beginning is the first book in the globally bestselling series A Series of Unfortunate Events This exclusive gold foiled 20th anniversary hardback gift edition commiserates the fact that this brilliantly funny book has been miserably longed for by every child in the world for the last twenty years Perfect for fans of Roald Dahl and Mr Gum young readers of 8 to 12 will adore the mischievously dark humour A Series of Unfortunate Events has been made into both a blockbuster Hollywood film starring Jim Carey and also a hit Netflix TV series Dear reader There is nothing to be found in Lemony Snicket s A Series of Unfortunate Events but misery and despair You still have time to choose another international best selling series to read But if you insist on discovering the unpleasant adventures of the Baudelaire orphans then proceed with caution Violet Klaus and Sunny Baudelaire are intelligent children They are charming and resourceful and have pleasant facial features Unfortunately they are exceptionally unlucky In The Bad Beginning the siblings encounter a greedy and repulsive villain itchy clothing a disastrous fire a plot to steal their fortune and cold porridge for breakfast You have been warned Are you unlucky enough to own all 13 adventures The Bad Beginning The Reptile Room The Wide Window The Miserable Mill The Austere Academy The Ersatz Elevator The Vile Village The Hostile Hospital The Carnivorous Carnival The Slippery Slope The Grim Grotto The Penultimate Peril The End And what about All the Wrong Questions In this four book series a 13 year old Lemony chronicles his dangerous and puzzling apprenticeship in a mysterious organisation that nobody knows anything about Who Could That Be at This Hour When Did you Last See Her Shouldn t You Be in School Why is This Night Different from All Other Nights Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are

primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious
