Bodyguard Of Lightning:

Bodyguard Of Lightning Stan Nicholls, 2011-12-15 Where a unique fantasy series began A fast moving action packed epic that for the first time tells the story of fantasy s traditional enemy giving orcs their own motives heroes and destiny An epic quest that takes orc warband leader Stryke and his warriors on a journey to secure five artifacts of power with which they hope the can buy their freedom but which actually hold the key to everything and the explanation for the sudden incursion of mankind into the world of the elder races an incursion that is leeching the magic out of the land of Maras Dantia

Bodyguard of Lightning Stan Nicholls, 1999-10-01 Orcs Stan Nicholls, 2011-12-15 The international bestselling trilogy now repackaged and complete with new material Combining the acclaimed trilogy of books BODYGUARD OF LIGHTNING LEGION OF THUNDER and WARRIORS OF THE TEMPEST plus a new short story previously only available in a small press anthology this is the entire story of Stryke and his band of Orcs Fantasy s bad guys finally get their own say in this fast moving action packed tongue in cheek tale of Orc valour and human treachery The Bodyguard's Assignment Amanda Stevens, 2014-10-15 First in the series featuring men who are cowboys by day specialized government operatives by night Men bound by love loyalty and the law THE MISSION WITNESS PROTECTION Brady Morgan s objective was clear find Grace Drummond and keep her safe until she could testify But Brady s past with the beautiful reporter was fraught with tension and desire Seeing her again raised unanswered questions including why she didn t want to be found Grace Drummond was between a rock and a hard place and both were Brady Morgan She was desperate to avoid testifying but could she trust Brady with the reason With a killer on their trail and passion boiling beneath the surface Brady would need all his expertise to keep Grace alive and in his arms Actual Causality Joseph Y. Halpern, 2019-02-19 A new approach for defining causality and such related notions as degree of responsibility degrees of blame and causal explanation Causality plays a central role in the way people structure the world we constantly seek causal explanations for our observations But what does it even mean that an event C actually caused event E The problem of defining actual causation goes beyond mere philosophical speculation For example in many legal arguments it is precisely what needs to be established in order to determine responsibility The philosophy literature has been struggling with the problem of defining causality since Hume In this book Joseph Halpern explores actual causality and such related notions as degree of responsibility degree of blame and causal explanation The goal is to arrive at a definition of causality that matches our natural language usage and is helpful for example to a jury deciding a legal case a programmer looking for the line of code that cause some software to fail or an economist trying to determine whether austerity caused a subsequent depression Halpern applies and expands an approach to causality that he and Judea Pearl developed based on structural equations He carefully formulates a definition of causality and building on this defines degree of responsibility degree of blame and causal explanation He concludes by discussing how these ideas can be applied to such practical problems as accountability and program verification Technical details are
