**The Editorial Gaze** Paul Eggert,Margaret Sankey,2014-04-04 This collection of original essays brings international and multidisciplinary perspectives to the problem of how to understand and practice editorial mediation How does editing alter what it seeks to represent How does it condition the relationship between texts and readers The different concerns shared by editors of a variety of genres literary and otherwise emerge here as constructive new approaches to the theory and practice of editing are explored The essays make a concerted attempt to assess the implications of postmodern thought on one of the oldest and most fundamental cultural activities editing The section on theory covers such important subjects as editorial responsibility the death of the author and the nature of the authorial voice The practice section covers actual editing situations in various literary areas and in musicology recorded music and the preservation of oral literature The

multidisciplinary volume will find its readers among students of textual criticism literature music and folklore as well as any readers of postmodern criticism Kate Kelly Rebecca Wilson,2021-02-16 Kate Kelly has always been overshadowed by her famous brother Ned but the talented young woman was a popular public figure in her own right This moving biography tells her astonishing story in full for the first time Kate Kelly the daring sister of legendary bushranger Ned Kelly was mysteriously found dead in a lagoon outside the NSW town of Forbes in 1898 At the inquest Kate s husband Brickie Foster claimed that she was addicted to drink and frequently spoke of suicide However a neighbour testified that she had only known Kate to drink since the recent birth of her baby and that she never spoke of suicide Was it suicide accident or murder and why had she changed her name to Ada While only a teenager Kate rode as a messenger and decoy for the Kelly Gang and was present at the gruesome Glenrowan siege After Ned s execution she appeared at public gatherings around Australia Huge crowds came to see her talk and ride and she helped to popularise the Ned Kelly story as a celebrity in her own right Then she disappeared from the public eye Rebecca Wilson is the first to uncover the full story of Kate Kelly s tumultuous life It will surprise anyone who thought they already knew the story of Australia s most famous outlaw Rarely told in full this is the fascinating life of one of the great characters in one of our greatest stories Paul Terry author of *The True Story of Ned Kelly s Last Stand* Thoroughly recommended not only to those who have an interest in bushranging and the Kelly dynasty but anyone who enjoys a well written and riveting yarn based on fact Rob Willis OAM National Library of Australia Oral History and Folklore Collections *Catalog of Copyright Entries, Third Series* Library of Congress.
