Aurora Their Last Utopia Oregons Chr:

Historical Dictionary of Utopianism Toby Widdicombe, James M. Morris, Andrea Kross, 2017-06-21 Utopian thinking embraces fictional descriptions of how to create a better but not a perfect alternative way of life as well as intentional communities that is groups of people leading lives in small communities for their own betterment and the betterment of others The first edition almost exclusively dealt with the intentional community side of utopianism this second edition offers a much more inclusive definition of the key term utopia by offering a great many entries devoted to describing fictional or literary utopian works It is also heavily illustrated with plates from utopian works especially those from the heyday of utopianism in the late nineteenth century This second edition of *Historical Dictionary of Utopianism* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on broad conceptual entries narrower entries about specific works and narrower entries about specific intentional communities or movements This book is an excellent resource for students researchers and anyone wanting to know more about Utopianism

A Survey of the History of Global Christianity, Second Edition Mark Nickens, 2020-12-15 Since Jesus's resurrection Christianity has expanded across the globe and shaped a vast array of groups and movements *A Survey of the History of Global Christianity Second Edition* provides an overview of the Christian faith from the apostolic age to the global present In a friendly and informative tone author Mark Nickens outlines the historical context of important developments in doctrine and practice including o the persecution and resilience of the early church o the results of increasing papal power in Europe during the Middle Ages o the Reformation and later movements that influenced European Christianity o the various sects of American Christianity that arose in cycles of revival o an examination of Orthodoxy and the history of Christianity in Asia Africa Latin America and the West Indies In addition to historical information this book features quotes and spiritual lessons from noteworthy Christians throughout the centuries By understanding how Christian doctrine has developed over the ages and across the globe readers will better understand where their own faith tradition comes from
