Attic Dolls:

Attic Dolls Linda Carroll, 1994 Designed to inspire the reader to explore the world of doll making this book shows how to make individual dolls each one involving a number of different crafts and techniques **Dolls in the Attic** Dina Sprenger, 2015-04-23 The muddied jeep flew off the cliff and Chancey floated above questioning if Rake meant to kill her Chancey Coolidge a forty something stay at home mom trades in her dream for fame and fortune in exchange for her perception of the American dream Struggling to be noticed by her husband she ponders her purpose in life and volunteers at the Humane Society hopeful her encounter there will prove to be more fulfilling than her relationship with her husband In search of companionship she meets Rake twenty years her junior and forms a connection she never knew two souls could share Bonded by their views on life and death Chancey begins an affair that can only end one way On the eve of her passing her husband discovers her poetry revealing her inner most thoughts and feelings Mortified her secrets are revealed her journey as an angel flourishes while nine dolls tucked away in attics come to life as symbols of the abuse and torture Chancey experienced as a child She relives her pain and torment through these dolls and finally realizes what love truly looks like While her spirit begins to make amends to her husband the nine dolls become one **The Sanctuary of Demeter and Kore** Gloria S. Merker, 2000 About 24 000 figurines and fragments were found during excavations at the Sanctuary of Demeter and Kore greatly enriching the known body of Corinthian figurines not only in number but also in the addition of many entirely new types and styles Working far beyond the output of the Potters Quarter workshops the Corinthian coroplasts are revealed as inventive often highly adept in technique and attuned to stylistic developments in the plastic arts in general Most importantly the evidence suggests that there may have been a link in Corinth between the manufacture of terracotta figurines and small bronze ones especially in the 4th and early 3rd centuries B C through the use of shared models If this is true the figurines provide a glimpse of the mostly lost bronze production of that period The figurines are also important because they help to explicate the meaning and conduct of the cult of Demeter and Kore in Corinth Since the literary sources and inscriptions are unfortunately not as abundant as one would wish the nature and conduct of the cult must be understood largely through the architecture and other finds The figural coroplastic art provides additional data on the deities and heroes recognized at the sanctuary the age and gender of the participants in the rituals the offerings they brought and the nature of their cultic activities Beyond these data the figurines are examined for what they may reveal through their imagery of the underlying ideas of the cult how the deities were perceived why they were approached and how the cult functioned as a part of Corinthian society **Behind the Attic Wall** Sylvia Cassedy, 1985-03 In the bleak forbidding house of her great aunts neglected twelve year old orphan Maggie hears ghostly voices and finds magic that awakens in her the capacity to love and be loved *Search for Peace* Wanda Winters-Gutierrez, 2004 Takes the reader on a journey exploring unresolved issues unhealed hurts unmet needs and other negative core beliefs that hinder all of us on life s journey

towards an experience of Divine peace This work exposes the techniques of Satan as he seeks to sabotage each of us who have set out on this journey
