L'architecture De Edward Ws Maxwell:

L'Architecture de Edward & W. S. Maxwell Edward Maxwell, Musée des beaux-arts de Montréal, W. S. (William Sutherland) Maxwell, 1991-01-01 Vue d'ensemble de l'œuvre de ces deux architectes Montréalais dont les réalisations tendent d'un bout à l'autre du Canada. Leur œuvre comprend des maisons particulières et des maisons de campagne, des gares et des hôtels et des édifices gouvernementaux. Au nombre de leurs réalisations figurent une vingtaine de maisons prestigieuses dans Westmount. *Canadian Reference Sources* Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people, institutions, organizations, publications, art, literature, languages, and history. It lists books of a general nature as well as works in the disciplines of history and the humanities. These large divisions are then broken down by subject, genre, type of document, and province or territory. Titles of national, provincial, territorial, or regional interest are included in every subject area when available. The contents of the book are indexed four ways: by name, title, French subject, and English subject. And to facilitate browsing, the major reference books, those dealing with more than one subject or a large geographical region, are also cross-referenced. Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages. Entries for unilingual works include citation in the language of the publication and a bilingual annotation. The annotations are descriptive and provide information on the content, arrangements, and indexing of works, the availability of non-print formats, previous editions, and title changes, and related works. *Canadian Reference Sources* will be an invaluable reference tool for future scholars and researchers.

Who's Who of Canadian Women, 1999-2000 Gillian Holmes, 1999-06-01 *Who's Who of Canadian Women* is a guide to the most powerful and innovative women in Canada. Celebrating the talents and achievement of over 3,700 women, *Who's Who of Canadian Women* includes women from all over Canada in all fields, including agriculture, academia, law, business, politics, journalism, religion, sports, and entertainment. Each biography includes such information as personal data, education, career history, current employment, affiliations, interests, and honours. A special comment section reveals personal thoughts, goals, and achievements of the profiled individual. Entries are indexed by employment or affiliation for easy reference. Published every two years, *Who's Who of Canadian Women* selects its biographees on merit alone. This collection is an essential resource for all those interested in the achievements of Canadian women.

Canadian Who's Who 2003 Elizabeth Lumley, 2003-03 Now in its 93rd year of publication, this standard Canadian reference source contains comprehensive and authoritative biographical information on notable living Canadians. Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada. Entries are added each year to keep current with developing trends and issues in Canadian society. Included are outstanding Canadians from all walks of life: politics, media, academia, business, sports, and the arts, from every area of human activity: memberships, creative works, honours, and awards, and full addresses.
