ironclad gunboats But in Deathlands even the underdog can bite back **Devil's Vortex** James Axler,2015-11-01 CHILD OF DARKNESS An orphaned teen with the ability to transform into a vicious whirlwind latches on to Ryan and the companions as they travel through former North Dakota Her deadly power seems like a boon at first until it starts to control her When threatened she destroys everything in her path including those she loves Then a group of outcast fighters kidnaps the young woman and manipulates her and her terrifying mutation for their own destructive agenda With the vortex unleashed the companions face a tough decision chill the orphan or perish in her violent wake AMERICAN NIGHTMARE Since the nukecaust the American dream has been reduced to a daily fight for survival In the hellish landscape of Deathlands few dare to dream of a better tomorrow But Ryan Cawdor and his companions press on driven by the need for a future less treacherous than the present **Hell Road Warriors** James Axler,2012-03-01 The human will to survive has sharpened to a knife edge after a century of postnuclear madness In a lawless land where firepower and savagery rule power lies with the barons and coldhearts who wield control through terror Against all odds a courageous few still fight for something better to live by honor decency and hope Emerging relatively unscathed from the apocalyptic rebirth of North America Canada hides a trove of Cold War era secret government installations known as Diefenbunkers filled with caches of weapons wags and food Ryan Cawdor and his companions agree to ride sec for a convoy headed west across the remnants of the old Trans Canada Highway to retrieve the ultimate prize four portable nuclear reactors It s enough power to light up a ville for years a bright beacon for a new tomorrow But they have death on their tail a baron and his sec men who will stop at nothing to claim the prize as their own **Palaces of Light** James Axler,2012-05-01 Remnants of America s past are littered across the postapocalyptic landscape but little remains of the predark ideals of law and order Survival is a blood quest and lethal force the means to power Still a handful retains their humanity among the coldhearts and in a world where nothing lasts forever hope is a commodity as precious as jack Steeped in beauty and mysticism the canyons of Mesa Verde Colorado survived the blast that altered the American West Hired to track a group of missing children Ryan Cawdor and his band follow the trail to a legendary city carved in stone older and stronger than the nukecaust The inhabitants of the palaces of light are more than warriors and survivors they are masters of mind games that prey on illusion And true believers in a metaphysical endgame poised to push the companions over the edge of reality into certain death **Prodigal's Return** James Axler,2011-09-06 The landmark 100th episode of the popular series Searching for an operational redoubt Ryan and his companions go up against a ruthless band of coldhearts Seeing his long lost son is a shock especially when Dean shoots and wounds his father in a firefight Original **Eden's Twilight** James Axler,2009-06-01 Rumors of an untouched predark ville in the mountains of West Virginia lure traders in search of unimaginable wealth They re coming from all directions the good the bad the worst Ryan and his warrior group join in although it means an uneasy truce with an old enemy going back to days of spilled blood and the legacy of the Trader But as their journey to a place called Cascade reveals more of Deathlands darkest secrets it remains
