

DEATH'S DOOR

Deaths Door

Betsy Byars

Deaths Door:

Death's Door Michael Slade, 2024-08-06 A Grade A thriller twisted near omnipotent villains brutal violence sharp plot twists solid and enthralling historical research The Vancouver Sun Canadian Mountie Robert DeClercq and his Special X team are facing down a stolen mummy with a trail of corpses in its wake The question is Is this the work of one killer Or is it some sort of diabolical conspiracy DeClercq s investigation leads him to a local porn king who specializes in snuff videos and a fresh trail of mutilated female bodies being dumped around the Gulf Islands But just when DeClercq narrows in on the criminality behind these abominable murders an old enemy returns Not only is Mephisto determined to destroy DeClercq once and for all but this megalomaniac won t stop until he puts all of humanity at the brink of Death s Door There are psycho thrillers and there are psycho thrillers and the ones to watch are those by Michael Slade This high powered mystery stars a psycho so heinous that you might want to take a deep breath before starting this baffling case Death s Door is a story to be read with caution Ottawa Citizen There isn t a precedent for the barbaric brilliance of a Slade novel With its well researched candid ventures into the most deranged of sick psyches Death s Door is a witches brew of intense intellectualism police procedure and white knuckle wince inducing gore Rue Morgue Slade has finely honed his skills You ll be up all night reading it and before you finally sleep you ll check under the bed The Vancouver Sun DESC Colors of the Soul Jami Waters, This metamorphic autobiographical collection entails the haunting and raw interpretations of the author and her life The tale of darkness breaking free from the chains that life wrapped her in from a very young age Always connected with nature the author chose to focus her descriptions and artistic impressions on aspects of complexities of the earth and cosmos All works in this book reflect a time in the authors life and speak to the intricate nature of the human soul We come in many colors and reflect and refract the world around us This journey is one of transformation and of coming out of the darkness into the light It is one of inspiration for those lost and afraid to step out and find peace in the world around them despite chaotic and sometimes tragic circumstances It does not follow traditional formatting because life is not formatted It is not scripted and is often complete pandemonium The text is organized into 4 sections reflecting different aspects of a person s inner growth and journey The black is what the author was born into it was all she knew for much of her life The abyss was a time of great sorrow and rage that was pivotal to the transformation into the person the author has become through much life experience tragedy and joy Black and white describes the nexus of change the beginnings of what was possible and the struggle between staying in what is known and breaking out of the comfort of chaos as some of us know all too well Change can be terrifying if we don t have any idea what is on the other side Illumination was the point of freedom the existential release from the darkness that plagues us all and our ability to overcome it All of these are almost lyrical in nature because they music in our hearts is what drives us to move forward and be the person we were destined to be Breaking into that world is painful and disillusioning We have to be brave enough to try **The Contemporary Narrative Poem** Steven P. Schneider, 2012-12-15

Over the past thirty years narrative poems have made a comeback against the lyric approach to poetry that has dominated the past century. Drawing on a decade of conferences and critical seminars on the topic, *The Contemporary Narrative Poem* examines this resurgence of narrative and the cultural and literary forces motivating it. Gathering ten essays from poet critics who write from a wide range of perspectives and address a wide range of works, the collection transcends narrow conceptions of narrative, antinarrative, and metanarrative. The authors ask several questions: What formal strategies do recent narrative poems take? What social, cultural, and epistemological issues are raised in such poems? How do contemporary narrative poems differ from modernist narrative poems? In what ways has history been incorporated into the recent narrative poetry? How have poets used the lyric within narrative poems? How do experimental poets redefine narrative itself through their work? And what role does consciousness play in the contemporary narrative poem? The answers they supply will engage every poet and student of poetry.

Cutting Through the Surface Tuija Takala, Peter Herissone-Kelly, Søren Holm, 2009
This book examines the role of philosophy and philosophers in bioethics. Academics often see bioethical studies as too practical, while decision makers tend to see them as too theoretical. The purpose of this collection of new essays by an international group of distinguished scholars is to explore the troubled relationship between theory and practice in the ethical assessment of medicine, health care, and new medical and genetic technologies. The book is divided into six parts. In the first part, philosophers consider the definition of bioethics, the nature of applied ethics more generally, and the possibility of combining utilitarian and liberal strands of thinking in moral and political studies. In the second part, authors discuss the place and justification of principles in bioethics and the significance of medical and nursing experience in moral decision making. The third part addresses the complementary or contradictory as the case may be, principles of dignity, autonomy, precaution, and solidarity and their use in theoretical and practical settings. In the fourth part, public health measures and experimental research are defended against traditional moral concerns. Part five scrutinizes parental responsibilities in bearing and rearing children, especially the reasons for and against human reproduction in individual cases. In part six, enhancements to human nature by various means are analyzed. Following in the footsteps of four previous collections in the *Values in Bioethics* special series by the same editorial team, *Scratching the Surface of Bioethics*, *Bioethics and Social Reality*, *Ethics in Biomedical Research*, and *Arguments and Analysis in Bioethics*, this book, compiled in honor of Professor Matti Häyry's 50th birthday, drills into the core of the discipline to show the philosophical depths that lie under the polished surface of policy-driven, everyday bioethics.

Beyond Death's Door Maurice Rawlings, 1978
All through recorded history, people have predicted life after death. But only now, with modern resuscitation methods, are we beginning to see *Beyond Death's Door*. Does death represent the end of this life or the beginning of another? Does anyone know what happens after death? Has anyone been there? What does it feel like? Is there evidence to support the biblical descriptions of hell? Anyone who has ever pondered these important questions will find new, fascinating food for thought in *Beyond Death's Door*, a significant book by a

leading heart specialist she recounts the experiences of individuals who have survived clinical death and returned to tell us about it *Scott's New Coast Pilot for the Lakes George Scott, 1902* **More Poems to Live for** Paula

Simpson, 2011-06-01 Description This is the second half of Simpson's two part collection This heartfelt collection of poetry is creative and quirky often turning both our expectations and the language itself on its head Although many of the poems deal with difficult questions and feelings there are also many witty moments as well as a fair share of laugh out loud ones About the Author Simpson describes herself as being born into a catholic middleclass family in Middlesex Since that day she has experienced huge suffering but also shown great courage and resilience She is very frank about the way in which relations have let her down but is also aware of the difficulties she experienced as part of married life and motherhood Today she is happily married and lives by the sea **Speculations of a More Distant Future** Isaiah Steven Paul, 2020-12-16

Either God's people believe His promises or they don't either they will hold to God's promises or they won't In order to believe and hold to those promises a believer first has to know and understand what those promises are Isaiah Steven has taken on that task in this study which searches for a glimpse of the more distant future It is written that no eye has seen no ear has heard no mind can conceive what God has in store for us in the more distant future But nowhere does it say that we are not to search for that understanding Think on this if God really does offer mankind substance which fulfills the Hope that every believer holds wouldn't He in some way reveal that to us If we are expected to meditate on that Hope through Faith praising Him for His abundant goodness then shouldn't God reveal those spiritual realities God in fact does share many of those secrets through His Holy Spirit and they can be found throughout the entire Bible and in plain sight Those revelations may be considered prophetic in nature because they speak of something that has not yet occurred Finding those secrets and understanding those mysteries becomes the start of an exciting journey That start can be found in **Speculations of a More Distant Future** **Fasting And Meditation To Live Happily** Pham, Chinh Van, 2008-09-09

The Lord pointed out to me the number 111 in a special way I have testified about this in this book and how it led me to the three purposes of the Church which are evangelism worship and spiritual growth I do this through 3 chapters in the Bible They are Psalm 111 Psalm 112 and 1 Corinthians 13 I have also added an important chapter on the Holy Spirit because of so much misunderstandings about spirits I conclude with a look at Psalm 110 which tells us what's going on now and what is coming in the future I explain in the introduction my purpose for writing this book which is to raise money for the Castle Theatre Ministry of my daughter's family If anyone would like to donate directly to this ministry please send to Castle Theatre Ministry P O Box 201 Dearing Kansas 67340 It is tax deductible and they will send you a receipt The Lord laid on my heart to introduce him also to those who have not fully been introduced to Him I did this in Act 2 in this book I hope you are inspired by this writing as much as I have been [The Encyclopaedic dictionary; a new, practical and exhaustive work of reference to all the words in the English language, with a full account of their origin, meaning, pronunciation, history and use](#) Robert Hunter, 1894

Death's Door Betsy Byars,2006-06-01 Herculeah Jones finds herself in the middle of another mystery when her best friend Meat barely escapes a hitman s bullet Someone must have mistaken Meat for someone else But who Herculeah is determined to solve the mystery before the assassin comes after her **Norsk-engelsk ordbok** John Brynildsen,1927

German-English Immanuel Schmidt,1902 Containing Multitudes Gary Schmidgall,2014 Walt Whitman burst onto the literary stage raring for a fight with his transatlantic forebears With the unmetered and unrhymed long lines of *Leaves of Grass* he blithely forsook the old models declaring that poems distilled from other poems will probably pass away In a self authored but unsigned review of the inaugural 1855 edition Whitman boasted that its influence free author makes no allusions to books or writers their spirits do not seem to have touched him There was more than a hint here of a party crasher s bravado or a new comer s anxiety about being perceived as derivative But the giants of British literature were too well established in America to be toppled by Whitman s patronizing that wonderful little island he called England or his frequent assertions that Old World literature was non grata on American soil As Gary Schmidgall demonstrates the American bard s manuscripts letters prose criticism and private conversations all reveal that Whitman s negotiation with the literary big fellows across the Atlantic was much more nuanced and contradictory than might be supposed His hostile posture also changed over the decades as the gymnastic rebel transformed into Good Gray Poet though even late in life he could still crow that his masterwork *Leaves of Grass* is an iconoclasm it starts out to shatter the idols of porcelain *Containing Multitudes* explores Whitman s often uneasy embrace of five members of the British literary pantheon Shakespeare Milton Burns Blake and Wordsworth five others are treated more briefly Scott Carlyle Tennyson Wilde and Swinburne It also considers how the arcs of their creative careers are often similar to the arc of Whitman s own fifty years of poem making Finally it seeks to illuminate the sometimes striking affinities between the views of these authors and Whitman on human nature and society Though he was loath to admit it these authors anticipated much that we now see as quintessentially Whitmanic **Our**
