Deaths Head:

Reichsrock Kirsten Dyck,2016-10-03 From rap to folk to punk music has often sought to shape its listeners political views uniting them as a global community and inspiring them to take action Yet the rallying potential of music can also be harnessed for sinister ends As this groundbreaking new book reveals white power music has served as a key recruiting tool for neo Nazi and racist hate groups worldwide Reichsrock shines a light on the international white power music industry the fandoms it has spawned and the virulently racist beliefs it perpetuates Kirsten Dyck not only investigates how white power bands and their fans have used the internet to spread their message globally but also considers how distinctly local white power scenes have emerged in Western Europe Eastern Europe Latin America the United States and many other sites While exploring how white power bands draw from a common well of nationalist racist and neo Nazi ideologies the book thus also illuminates how white power musicians adapt their music to different locations many of which have their own terms for defining whiteness and racial otherness Closely tracking the online presence of white power musicians and their fans Dyck analyzes the virtual forums and media they use to articulate their hateful rhetoric This book also demonstrates how this fandom has sparked spectacular violence in the real world from bombings to mass shootings Reichsrock thus sounds an urgent message about a global menace

Death's Head David Gunn,2007-05-01 Set in a chillingly realistic far future world and featuring a gritty antihero even more frightening than the evil empire he serves as soldier and assassin Death's Head is sure to be one of the most talked about novels of the year David Gunn is loaded and he shoots to kill At the top of the galactic pecking order is the United Free a civilization of awe inspiring technological prowess so far in advance of other space faring powers as to seem untouchable gods Most of the known universe has fallen under their inscrutable sway The rest is squabbled over by two empires one ruled with an iron fist by OctoV a tyrant who appears to his followers as a teenage boy but is in reality something very different the other administered by the Uplifted bizarre machinelike intelligences and their no longer quite human servants cyborgs known as the Enlightened Sven Tveskoeg an ex sergeant demoted for insubordination and sentenced to death is a vicious killer with a stubborn streak of loyalty Sven possesses a fierce if untutored intelligence and a genetic makeup that is 98.2 percent human and 1.8 percent something else Perhaps that something else explains how quickly he heals from even the worst injuries or how he can communicate telepathically with the ferox fearsome alien savages whose natural fighting abilities regularly outperform the advanced technology of their human enemies Perhaps it is these unique abilities that bring Sven to the attention of OctoV Drafted into the Death's Head the elite enforcers of OctoV's imperial will Sven is given a new lease on life Armed with a SIG diabolio an intelligent gun and an illegal symbiont called a kyp Sven is sent to a faraway planet the latest battleground between the Uplifted and OctoV There he finds himself in the midst of a military disaster one that will take all his courage and all his firepower to survive But an even deadlier struggle is taking place a struggle that will draw the attention of the United Free Sven knows he is a pawn and
