Deathwing Over Veynaa. [read by Steven Crossley]. Douglas Hill, 1998 *The Colloghi Conspiracy* Douglas Hill, 2014-06-30 The Colloghi Conspiracy continues the adventures of Del Curb begun in Fraxilly Fracas This time the self styled hero is troubled by a frozen astronaut a media star called Highlight Heart throb and the treacherous nature of the planet Colloghi **Children's Fiction Sourcebook** Margaret Hobson, Jennifer Madden, Ray Prytherch, 2018-12-17 First published in 1992 this Sourcebook is a basic working tool for all those concerned with children s reading It will help librarians and teachers to select a comprehensive stock of children s fiction for their institutions The authors in the sourcebook have been selected on the grounds of importance popularity and current availability Author entries are arranged in alphabetical order and indexes provided by title series age range and genre Each entry consists of some background information and evaluative comment on style of the book a list of the authors books with publisher date and price and literary agent where applicable There is a suggestion of similar authors sequels related series and reader age range Young Adult Science Fiction C. W. Sullivan III, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein s works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with
