Debuby Remembered:

ÒI Would Still Be Drowned in TearsÓ: Spiritualism in Abraham Lincoln's White House Michelle L. Hamilton,2014-06-11
In 1862 in the midst of a bloody civil war President Abraham Lincoln and his wife Mary suffered unspeakable heartache when their young son died To combat her grief First Lady Mary Lincoln became a devotee of Spiritualism making the White House a center for Washington D C s Spiritualist community For decades historians have maintained that President Lincoln only attended a few seances in an attempt to protect his mentally unstable wife This narrative is incorrect using a host of previously neglected primary sources historian Michelle L Hamilton documents the numerous seances President Lincoln attended and the interest he had for the religion Michelle L Hamilton s *I Would Still Be Drowned in Tears* sheds new light onto the Lincolns interest in Spiritualism and proves that Mary Lincoln might not have been the only Spiritualist in the White House Perhaps now we can frankly admit without ridicule or condemnation the role Spiritualism played in the lives of Abraham and Mary William Weeks Ph D San Diego State University [The Journal of Electrical Workers and Operators](#) ,1945 **Academy, with which are Incorporated Literature and the English Review** ,1895 **Archipelago** ,1975 *Journal of the West* Lorrin L.
