*Deception on His Mind* Elizabeth George, 2009-03-24 NEW YORK TIMES BESTSELLER One of George's best insightful tense and compassionate Entertainment Weekly Balford le Nez is a dying seaside town on the coast of Essex But when a member of the town's small but growing Asian community is found murdered near its beach the sleepy town ignites Intrigued by the involvement of her London neighbor Taymullah Azhar in what appears to be a growing racial conflagration Detective Sergeant Barbara Havers arranges to have herself assigned to the investigation Setting out on her own this is one case Havers will have to solve without her longtime partner Detective Inspector Thomas Lynley and it's one of the toughest she's ever encountered For Havers must probe not only the mind of a murderer and her emotional response to a case unsettlingly close to her own heart but also the terrible price people pay for deceiving others and themselves Praise for *Deception on His Mind* So much fun to read it's criminal Newsday It's tough to resist the pull of George's storytelling once hooked USA Today Falls smartly into place in George's literate impassioned series one of today's best Chicago Tribune Fascinating there are wrenching stories here and George conveys them with exceptional grace People

**Alignment** Brad Baldwin, 2023-10-15 Baldwin primarily presents his story in the third person lending the narrative a tense and often electrifying energy that reads more like fiction than memoir Critic's Report Book Life Prize Alignment is a story of hope healing and humanity as a small town American INFJ battles himself life and the world seeking to decipher his own life purpose On the outside he led an unconventional life path Culpeper to Los Angeles Paramount Pictures to the Himalayan foothills Bollywood to Gandhi Ashram in Ahmedabad Gujarat Building nonprofits Chasing purpose The Gandhi King unity project Troop 1992 Mark Twain Decades in India However on the inside he resided at ADX Willow Tree his psychological prison of shame resulting from a web of forty years of trauma and a vice to numb the pain Often seeking to escape from himself Alignment opens with a 48 Day 48 State road trip to break a trauma bond a nightmare gifted to him by an entanglement with a covert narcissist Over the course of the journey flashbacks serve as puzzle pieces that begin to paint a picture of a soul struggling to heal struggling to get his mind back to lift the fog of doubt A series of events began to awaken him The love and light he received from a relationship and Divine children would shake him to his core In an instant a violent

assault would change everything and slingshot him into the Holy Land a world full of endless strife for centuries And then it happened He received a Divine download that connected the dots aligned him with purpose and gave him a message for humanity Through a series of unconventional life events spanning from small town America to the heart of the Middle East Baldwin navigates the complexities of self discovery and redemption His writing style captures the essence of his inner turmoil and the external challenges he faces creating a vivid tapestry of hope and humanity As Baldwin unravels the puzzle of his own life each flashback and revelation serve as a poignant piece in his journey towards understanding and acceptance From the depths of psychological turmoil to the heights of spiritual awakening Baldwin s narrative resonates with raw emotion and profound insight Alignment is not just a memoir it s a testament to resilience faith and the enduring power of the human spirit Baldwin s skillful storytelling invites readers on a transformational journey of self discovery leaving them captivated until the very last page Michelle Fernandez
