Deciphering Elizabethan Fiction:

Deciphering Elizabethan Fiction Reid Barbour, 1993 From 1570 to 1630 prose fiction was an upstart in English culture still defined in relation to poetry and drama yet invested with its own considerable power and potential In these years a community of writers arrived on the scene in London and strove to make a name for themselves largely from the prose that they produced at an astonishing rate Modern scholars of the Renaissance have attempted to measure this prose against such standards as humanist culture or the emerging novel But the prose fiction written by Lyly Greene and their imitators has eluded modern readers even more than the works of Shakespeare and Spenser In *Deciphering Elizabethan Fiction* Reid Barbour studies three interwoven case histories those of Robert Greene Thomas Nashe and Thomas Dekker and explores their favorite tropes and figures In response to one another these three writers attempt to define liberate and question the boundaries of prose That is they want to secure for prose a new and powerful status in an age when its parameters are unclear and its rivals still valorized but its parameters unbounded Barbour argues that Nashe absorbs but also rejects the agendas of Greene s prose offering alternative tropes in their place Dekker parodies Nashe but unsettles any scheme for stabilizing prose including those set forth by Nashe himself This work centers on three terms that Greene Nashe and Dekker obviously could not get off their minds decipher discover and stuff The first two terms pervasive in Greene make specific and complex demands on narrative and its readers With stuff however Nashe and Dekker cultivate an extemporal and a material prose and challenge the fictions that decipher and discover from romance to roguery These key words not only situate prose in regard to poetry drama and the world they also raise crucial Renaissance questions about order and duty faith and doubt Accordingly their frame of reference extends from Renaissance poetics and narratology to a nascent Epicureanism and neoskepticism In an about face prose becomes the standard by which the rest of Elizabethan and early Stuart culture is measured even as prose is constituted by that culture With three of the most popular English Renaissance writers as his focus Barbour reassesses the question of how or whether Elizabethan fiction is an ancestor of the novel Students of the novel have recently intensified their search for the origins of Defoe Dickens and Woolf But Elizabethan prose fiction challenges the novel rather than founds it In its conclusion then *Deciphering Elizabethan Fiction* considers responses to Elizabethan prose from Behn to Joyce BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Robert Greene Kirk Melnikoff, 2017-03-02 While Robert Greene was the most prolific and perhaps the most notorious professional writer in Elizabethan England he continues to be best known for his 1592 quip comparing Shakespeare to an upstart crow In his short twelve year career Greene wrote dozens of popular pamphlets in a variety of genres and numerous professional plays At his premature death in 1592 he was a bonafide London celebrity simultaneously maligned as Grub Street profligate and celebrated as literary prodigy The present volume constitutes the first collection of Greene's reception both in the early modern period and in our present era offering in its poems prose passages essays and chapters that which is most singular among what has been written about Greene and his work It also includes a complete list of Greene's contemporary reception until 1640 Kirk Melnikoff's wide ranging and revisionist introduction organizes this reception generically while at the same time situating it in the context of recent critical methodologies

Literature, Travel, and Colonial Writing in the English Renaissance, 1545-1625 Andrew Hadfield, 1998-12-17 What was the purpose of representing foreign lands for writers in the English Renaissance This innovative and wide ranging study argues that writers often used their works as vehicles to reflect on the state of contemporary English politics particularly their own lack of representation in public institutions Sometimes such analyses took the form of displaced allegories whereby writers contrasted the advantages enjoyed or disadvantages suffered by foreign subjects with the political conditions of Tudor and Stuart England Elsewhere more often in explicitly colonial writings authors meditated on the problems of government when faced with the possibly violent creation of a new society If Venice was commonly held up as a beacon of republican liberty which England would do well to imitate the fear of tyrannical Catholic Spain was ever present inspiring and haunting much of the colonial literature from 1580 onwards This stimulating book examines fictional and non fictional writings illustrating both the close connections between the two made by early

modern readers and the problems involved in the usual assumption that we can make sense of the past with the categories available to us Hadfield explores in his work representations of Europe the Americas Africa and the Far East selecting pertinent examples rather than attempting to embrace a total coverage He also offers fresh readings of Shakespeare Marlowe More Lyly Hakluyt Harriot Nashe and others [A Search for Meaning](#) Paula Harms Payne,2004 In its exploration of drama poetry and prose this collection of nine essays invites students teachers and scholars to rethink their evaluations of Shakespeare Milton Sidney Jonson and other British writers of the Early Modern period Using a formalist approach [A Search for Meaning](#) establishes new critical perspectives that are dependent on close readings of the text and current secondary research and which carefully consider reader s reactions [Critical Approaches to English Prose Fiction, 1520-1640](#) Donald Beecher,1998 [English Literary Renaissance](#) ,1995 **English Novel Explication** ,1990 **Sixteenth-century British Nondramatic Writers** David A.
