Deemed Suspect A Wartime Blunder:

Deemed Suspect Eric Koch,1980 **Classics Transformed in Jewish, Israeli, and Palestinian Receptions**,2025-02-19 Classics Transformed in Jewish Israeli and Palestinian Receptions invites the reader to view classical antiquity through the writings of poets translators and scholars emerging from modern Jewish diasporas Mandatory Palestine and the State of Israel who engaged with Greek and Roman literary precedents Whereas these voices have up to now been mostly studied independently of one another as separate fields of research this volume brings some of these distinct voices who nevertheless share a connection to Greco Roman antiquity into conversation with one another Taking its cue from the crisis of humanism following the Holocaust the chapters take as their themes the destruction of home displacement and different forms of wandering and homecomings drawing connections to acts of translation and transmission of the classics to form a picture of cultural and textual states of alterity The volume shows that Jewish Israeli and Palestinian responses to the classics are entangled and even complementary despite their different trajectories The chapters included here focus particularly on critical moments in Jewish and Palestinian existence when the reception of classical humanism is closely linked to issues of survival On offer here is a historically grounded investigation into the ways Jews Israelis and Palestinians have used classical antiquity and classical philology to validate their identity in a rapidly changing society Children's Exodus Vera K. Fast,2010-11-09 In the months leading up to the outbreak of World War Two Britain rushed to evacuate nearly 10 000 Jewish children from the Nazi occupied territories Through the unprecedented cooperation of religious and governmental organizations the Kindertransport spared thousands of Jewish children from the terror of the Third Reich and provided them with host families in Britain Children s Exodus offers an in depth look at the people and politics behind the various chains of rescue as well as the personal narratives of the children who left everything behind in the hope of finding safety Drawing on unpublished interviews journals and articles Vera K Fast examines the religious and political tensions that emerged throughout the migration and at times threatened to bring operations to a halt Children s Exodus captures the life affirming stories of child refugees with vivid detail and examines the motivations religious or otherwise of the people that orchestrated one of the greatest rescue missions of all time **Deemed Suspect** Eric Koch,1980 We Built Up Our Lives Maxine S. Seller,2001-08-30 Fearing an imminent Nazi invasion the British government interned 28 000 men and women of enemy nationality living in Britain in the spring of 1940 Most were Jewish refugees who having fled Nazi persecution were appalled to find themselves imprisoned as potential Nazi spies Using oral histories unpublished letters and memoirs artifacts and newspapers from the camps and government documents We Built Up Our Lives tells the compelling story of sixty three of these internees It is a seldom told part of the history of World War II and the Holocaust and a classic tale of human courage and resilience We Built Up Our Lives describes the survival mechanisms relied upon by the Jewish refugees Although the internees imprisoned in Britain the Isle of Man Canada and Australia were adequately housed and fed and rarely mistreated

they were cut off from family friends school and work everything that had given meaning to their lives Resisting boredom anger and despair the internees made the best of a bad situation by creating education culture and community within the camps Before and after as well as during the internment in Nazi Germany and in Britain educational resources and social networks were essential to the refugees efforts to build up their lives Equally important were personal qualities of courage ingenuity assertiveness and resilience Prisoners of the Home Front Martin F. Auger,2011-11-01 In the middle of the most destructive conflict in human history almost 40 000 Germans civilians and prisoners of war were detained in internment and work camps across Canada Five internment camps were located on the southern shores of the St Lawrence River in the province of Quebec at Farnham Grande Ligne le aux Noix Sherbrooke and Sorel Prisoners of the Home Front details the organization and day to day affairs of these internment camps and reveals the experience of their inmates Martin Auger shows how internment imposed psychological and physical strain in the form of restricted mobility sexual deprivation social alienation and lack of physical comfort In response Canadian authorities introduced labour projects and education programs to uphold morale thwart internal turmoil and prevent escapes These initiatives were also intended to expose prisoners to the values of a democratic society and prepare them for postwar reintegration Auger concludes that Canada abided by the Geneva Convention its treatment of German prisoners was humane Prisoners of the Home Front sheds light on life behind barbed wire filling an important void in our knowledge of the Canadian home front during the Second World War
