Deep Red Horror Handbook:

The deep red horror handbook Charles Balun,1989 **Xerox Ferox** John Szpunar,2013-10-08 A scene that influenced generations of writers filmmakers and fans XEROX FEROX is the first book to cover the horror film fanzine and the culture it spawned From Famous Monsters of Filmland to Fangoria and everything in between XEROX FEROX is much more than a book about monster magazines It examines the home grown DIY fanzines that dared to dig deeper than the slick and shiny newsstand mags ever would or indeed even could The titles are as lurid as the films that they covered Gore Gazette Deep Red Sleazoid Express Before message boards before blogs before the Internet itself the fanzine reigned as the chief source of news and information for horror fans worldwide Often printed on the cheap and sold for the price of postage madcap and irreverent mags like Slimetime Subhuman and Shock Xpress travelled the globe creating a thriving network of fans and professionals alike XEROX FEROX traces the rise of the horror film fanzine from the Famous Monster starved kids of the 1960s to the splatter crazed gorehounds that followed Featuring in depth interviews with fifty writers editors and industry pros XEROX FEROX is the final word on an era that changed the world of fandom forever **The Gorehound's Guide to Splatter Films of the 1960s and 1970s** Scott Aaron Stine,2015-11-20 For the uninitiated the author has obligingly supplied a definition for the slasher splatter film Any motion picture which contains scenes of extreme violence in graphic and grisly detail For those film viewers who think this is a good thing and are more likely to select The Texas Chainsaw Massacre than The Remains of the Day or for those who are not quite sure but are nevertheless drawn to the phantasmagoric or for those horrified by gratuitous violence and blood s sake but are researching this filmic phenomenon this reference book provides all the gory details From At Midnight I ll Take Your Soul Away to Zombie 2 The Dead Are Among Us this book is an exhaustive study of the splatter films of the 1960s and 1970s After a history of the development of the genre the main meat of the book is a filmography Each entry includes extensive credits alternate names and foreign release titles availability of the film on videocassette availability of soundtracks and film novelization and reviews Extensive cross referencing is also included *Bodies of Desire and Bodies in Distress* Xavier Mendik,2015-09-18 In recent years there has been an explosion of critical interest in the icons genres and traditions of 1970s Italian cult film Thanks to the international success of directors such as Dario Argento and Sergio Martino and the influential giallo thriller cycle in which they worked these unconventional and often controversial films are now impacting on new generations of filmmakers scholars and moviegoers alike Bodies of Desire and Bodies in Distress The Golden Age of Italian Cult Cinema 1970 1985 considers the current interest in specific Italian directors and cult genres exploring the social political and cultural factors that spawned a decade of cinema dominated by extreme yet stylish images of sexuality and violence Bodies of Desire and Bodies in Distress situates the explosion of 1970s Italian cult excess against the toxic backdrop of political violence and terrorist activity that produced shocking images of carnage and crime during this period The volume also considers why the iconography of the

sexually liberated female became recast as a symbol of fear and violation in a range of Italian cult film narratives In addition the book also analyses how longstanding regional distinctions between Italy's urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985 Bodies of Desire and Bodies in Distress profiles leading 1970s Italian directors and performers including Aristide Massaccesi Joe D Amato Laura Gemser and Dario Argento who also provides an interview discussing his work and 1970s Italian society The volume also provides case studies of the giallo cycle rape and revenge dramas the Italian rogue cop series post apocalypse films barbarian movies and sex comedy formats By considering the icons and genres from the golden age of Italian cult film alongside the crucial social and sexual tensions that influenced their creation this book will be of interest to film scholars and cult movie fans alike

The Gorehound's Guide to Splatter Films of the 1980s Scott Aaron Stine, 2015-09-18 Reviews of The Gorehound's Guide to Splatter Films of the 1960s and 1970s recommended Booklist exhaustive useful ARBA a solid reference work Video Watchdog bursting with information opinion and trivia impeccably researched Film Review interesting and informative Rue Morgue detailed credits entertaining Classic Images Author Scott Aaron Stine is back again this time with an exhaustive study of splatter films of the 1980s Following a brief overview of the genre the main part of the book is a filmography Each entry includes extensive technical information cast and production credits release date running time alternate and foreign release titles comments on the availability of the film on videocassette and DVD a plot synopsis commentary from the author and reviews Extensive cross referencing is also included Heavily illustrated

Crime Scenes Anne Mullen, Emer O'Beirne, 2000 The essays in this collection are based on papers given at a conference on detective fiction in European culture held at the University of Exeter in September 1997 The range of topics covered is designed to show not only the presence and variety of narratives of detection across different European countries and their different media although there is a predictable emphasis on the novel It also illustrates the fertility of the genre its openness to a spectrum of readings with different emphases formal as well as thematic Approaches to detective fiction have often tended to confine themselves to symptomatic interpretation where details of the fictional world represented are used to diagnose a specific set of social preoccupations and priorities operative at the time of writing Such approaches can yield valuable insights Nonetheless there is a risk of limiting the value of the genre as a whole solely to its role as a mirror held up to society In this perspective issues of structure and style are sidelined or if addressed are praised to the extent that they approach invisibility concision spareness realism are the qualities singled out for praise The genre also gives much scope for formal innovation and indeed has often attracted already established mainstream writers and filmmakers for just this reason The eclectic diversity of the detective narratives considered in this volume reveal the malleability of the traditional constraints of the genre The essays bear rich testimony to the value of considering the interplay of thematic and structural issues even in the most apparently unselfconscious and popular or populist forms of narrative The patterns of reassurance the triumph of intellect and the ordered rational world of old are now

challenged by the need to foreground the problems ambiguities and uncertainties of the self and of society The plurality of meanings and the antithetical imperatives explored in these detective narratives confirm that the most recent forms of the genre are not mere palimpsests of their golden age precursors The subversion of traditional expectations and the implementation of diverse stylistic devices take the genre beyond mere homage and pastiche The role of the reader spectator and critic in conferring meaning is a crucial one

Broken Mirrors/Broken Minds Maitland McDonagh,2010-03-22 Italian filmmaker Dario Argento s horror films have been described as a blend of Alfred Hitchcock and George Romero psychologically rich colorful and at times garish excelling at taking the best elements of the splatter and exploitation genres and laying them over a dark undercurrent of human emotions and psyches Broken Mirrors Broken Minds which dissects such Argento cult films as Two Evil Eyes The Bird with the Crystal Plumage Suspiria and Deep Red includes a new introduction discussing Argento s most recent films from The Stendahl Syndrome to Mother of Tears an updated filmography and an interview with Argento

Deep Red Horror Handbook Introduction

In the digital age, access to information has become easier than ever before. The ability to download Deep Red Horror Handbook has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Deep Red Horror Handbook has opened up a world of possibilities. Downloading Deep Red Horror Handbook provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Deep Red Horror Handbook has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Deep Red Horror Handbook. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Deep Red Horror Handbook. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Deep Red Horror Handbook, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Deep Red Horror Handbook has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
