**Allison Fine**

## **Debbies Meetings One:**

**Debbie's Meetings Book One** Alfred Cassidy,2003-04      *My Way or the Highway* Harry E. Chambers,2004-11-01 By the author of the bestselling *Bad Attitude Survival Guide* more than 40 000 copies sold named one of the top business books of 1998 by Executive Book Summaries Everyone thinks they know what micromanagement is but this book presents a specific detailed definition illustrated with concrete examples Offers successful strategies for overcoming your own micromanaging behavior and for responding when you are being micromanaged Micromanagement is one of the most widely condemned managerial sins and one of the most common employee complaints It results in significant direct indirect and hidden costs to organizations contributing to low morale high turnover inefficiency instability and lack of continuity And being perceived as a micromanager can have a significant negative impact on your career But what precisely is micromanagement More importantly what can be done about it In *My Way or the Highway* Harry Chambers proves that micromanagement can be objectively identified and successfully resisted both by those who often unknowingly inflict it and by those who are its victims In an informal entertaining style Chambers describes five specific defining traits of micromanagers placing their own self interest above everything else controlling and manipulating time attempting to determine exactly how everything must be done requiring elaborate approval processes and establishing dysfunctional monitoring and reporting requirements He even provides a Micromanagement Potential Indicator test so you can see whether and to what extent you might be a micromanager He then devotes a chapter to each trait providing real world examples of the trait in action and an analysis of the damage it does But this is not just a book of diagnosis Chambers provides treatment as well He devotes several chapters how to respond if you are the micromanagee a victim of micromanagement how to eliminate your own micromanaging behaviors and what to do if you have to manage a micromanager Avoiding micromanagement should be a major goal of every manager would be manager team member or collaborative peer *My Way or the Highway* offers detailed actionable field tested strategies that will eliminate the damage that overcontrolling behavior causes and increase creativity risk taking productivity and initiative in any organization

**Debbie Macomber's Cedar Cove Series, Volume 2** Debbie Macomber,2010-09-01 Debbie Macomber's bestselling and beloved Cedar Cove series continues with these four novels Reconnect with your favorite characters and meet some new friends from this tight knit community where love and friendship are just around the corner Bundle contains books 7 10 of the Cedar Cove Series 74 Seaside Avenue 8 Sandpiper Way 92 Pacific Boulevard and 1022 Evergreen Place      **My Way or the Highway (EasyRead Large Bold Edition)** Harry E. Chambers,2004 No one likes micromanagers They are petty dictators They constantly interfere with their employees They waste everyone's time They hurt morale They reduce productivity They make staffers lives hellish The problem is micromanagers exist in almost every office Nearly eight out of 10 employees report that they work for micromanagers or have in the past Despite its near universal prevalence few executives

managers or supervisors acknowledge micromanagement as a personal failing Harry E Chambers discusses why micromanagement occurs He teaches you how to deal with a micromanager whether you work for that person or he or she works for you And he explains how to eliminate your own micromanagement tendencies getAbstract applauds Chambers for his thoughtful treatise on a common and odious problem Particularly note his recommended tactics for dealing with a micromanager s outbursts proactively before they occur It s like making sure dynamite doesn t explode by never connecting the fuse

**Pennhurst and the Struggle for Disability Rights** Dennis B. Downey,James W. Conroy,2020-06-22 Conceived in the era of eugenics as a solution to what was termed the problem of the feeble minded state operated institutions subjected people with intellectual and developmental disabilities to a life of compulsory incarceration One of nearly 300 such facilities in the United States Pennhurst State School and Hospital was initially hailed as a model institution but was later revealed to be a nightmare where medical experimentation and physical and psychological abuse were rampant At its peak more than 3 500 residents were confined at Pennhurst supervised by a staff of fewer than 600 Using a blended narrative of essays and first person accounts this history of Pennhurst examines the institution from its founding during an age of Progressive reform to its present day exploitation as a controversial Halloween attraction In doing so it traces a decades long battle to reform the abhorrent school and hospital and reveals its role as a catalyst for the disability rights movement Beginning in the 1950s parent advocates social workers and attorneys joined forces to challenge the dehumanizing conditions at Pennhurst Their groundbreaking advocacy accelerated in 1968 by the explosive televised expos Suffer the Little Children laid the foundation for lawsuits that transformed American jurisprudence and ended mass institutionalization in the United States As a result Pennhurst became a symbolic force in the disability civil rights movement in America and around the world Extensively researched and featuring the stories of survivors parents and advocates this compelling history will appeal both to those with connections to Pennhurst and to anyone interested in the history of institutionalization and the disability rights movement

*The Connection Blueprint* Debbie Waggoner,2020-06-15 The Connection Blueprint is a guide for leaders to use one on one meetings to build trust engage and motivate their direct reports In a practical easy to use format Debbie Waggoner has synthesized her 28 years of global leadership development experience to provide leaders a plan for each one on one meeting for the next year Chapters on new employees best practices remote one on ones and handling challenges round out this easy to use resource Every leader that has read it has started using it immediately and thought of at least five more leaders who could use it including their manager Just open it up read the questions for each session and start using it You and your employees will be glad you did
