## **December Passion:**

The Christian Holy Days: The Biblical Account of Christmas, Passion Week, Easter, Ascension, and Pentecost Larry D. Edwards, 2010 Many professing Christians do not know what the Bible says about the holy days and the importance of keeping them in solemn worship to the Lord and Creator Sometimes their understanding is based on secular sources instead of the Bible This book is biblical cultural and historical analysis of the Christian Holy Days It contains information that all professing Christians should know understand and apply to their lives Major emphasis is given to the Incarnation Passion week and the Resurrection Additional comments are made on the forty post resurrection days the Ascension and Pentecost In addition the author is a physician who provides an analysis of the medical aspects of the crucifixion and other relevant medical issues

**Gandhi's Passion** Stanley Wolpert, 2001-04-05 More than half a century after his death Mahatma Gandhi continues to inspire millions throughout the world Yet modern India most strikingly in its decision to join the nuclear arms race seems to have abandoned much of his nonviolent vision Inspired by recent events in India Stanley Wolpert offers this subtle and profound biography of India's Great Soul Wolpert compellingly chronicles the life of Mahatma Gandhi from his early days as a child of privilege to his humble rise to power and his assassination at the hands of a man of his own faith This trajectory like that of Christ was the result of Gandhi's passion his conscious courting of suffering as the means to reach divine truth From his early campaigns to stop discrimination in South Africa to his leadership of a people's revolution to end the British imperial domination of India Gandhi emerges as a man of inner conflicts obscured by his political genius and moral vision Influenced early on by nonviolent teachings in Hinduism Jainism Christianity and Buddhism he came to insist on the primacy of love for one's adversary in any conflict as the invincible power for change His unyielding opposition to intolerance and oppression would inspire India like no leader since the Buddha creating a legacy that would encourage Martin Luther King Jr Nelson Mandela and other global leaders to demand a better world through peaceful civil disobedience By boldly considering Gandhi the man rather than the living god depicted by his disciples Wolpert provides an unprecedented representation of Gandhi's personality and the profound complexities that compelled his actions and brought freedom to India
