A Message To The Seven Churches:

A Message to the Seven Churches Morris Cerullo, Morris Cerullo World Evangelism, 2002-01-01 **The Messages to the Seven Churches of Asia Minor** Andrew Tait, 1884 The Seven Churches of the Apocalypse: A Look at the Seven Churches in the Book of Revelation Daniel H. Kiser, 2021-02-09

While in exile on the Island of Patmos the Apostle John received this instruction from Jesus Write what you see into a book Send it to the seven churches Ephesus Smyrna Pergamum Thyatira Sardis Philadelphia and Laodicea Revelation 1 11 The Message Bible Jesus then proceeds to dictate to the apostle personal messages to each of the seven churches The content of these messages does not contain the opinions or instructions of a pastor deacon elder or governing church council These messages were sent directly from Jesus and reveal his assessment of each church This in itself should be sufficient reason for taking the time and exerting the energy to do an exhaustive study of the seven churches But there are additional reasons as well which are dealt with extensively in this book The messages reveal what is acceptable and unacceptable to Jesus in the life of a church They also reflect seven periods of church history In addition the messages explain a Christian s relationship to the group of believers with which they are associated Furthermore they stress the responsibility of every Christian to protect the spiritual welfare of the local church Finally these messages provide the proper perspective of what Jesus values most in a church At the end of each message Jesus makes this statement Anyone with ears to hear must listen to the Spirit and understand what he is saying to the churches Revelation 2 7 New Living Translation The messages to the seven churches of the Apocalypse are as relevant today as they were when John received them They are intended for anyone who has ears to hear what the Spirit says to the churches *Christ and His Seven Churches* Carl A. DeLatte, 1999 How do Christ s letters to the seven churches in Revelation impact your life as a believer today Author Carl DeLatte shows you how these messages given to the Apostle John for the first century churches are relevant to us today and how we can understand them in light of modern events Don t miss the personal message the Lord has for you *The Messages to the Seven Churches of Asia* Thomas Murphy, 1895 **Seven Revelations** Jon Carnes, 2022-08-10 This scripture was written for our understanding and edification allowing us to examine the message to the seven churches in practical ways What Christ was saying to these churches is profound but simple truth When we do not attempt to read into these passages something that is not there we find a relevant truth for us today Christ was speaking to churches at this point in history messages which can resonate with us today as much as they did to these seven congregations These very real historical churches become perfect examples of those which have existed since the New Testament church was born until this very day The actions and attitudes that were seen in the seven churches of Revelation can be observed in modern churches It becomes obvious that God is speaking to types of churches and the spiritual battles found within them He understands and exposes what motivates their heart Each church is challenged in a very specific way The Lord s intent is to help them realize who they have become and where they need to change **The Seven Letters** Tee

Khoon Tan,2020-12-25 The Book of Revelation contains seven letters to seven churches in Asia Minor Revelation 2 3 Each letter as proclaimed by Jesus and recorded by John the Apostle declares the triumphs and failings of the recipient churches and warns each congregation to repent The advice in these letters is prophetic forewarning present day Christian communities of the snares that can lure us away from our faith [The Messages to the Seven Churches of Asia Minor](#)

Messages from The Risen Savior To The Seven Churches Maria Sandberg,2020-01-27 Messages From The Risen Savior To The Seven Churches is a message of meditation based on the Bible and written by Maria Sandberg There are some beautiful messages of love sent by Christ to His people on earth in the second and third chapters of the last book in the Bible which perhaps you may have overlooked passing them by as not addressed to you or as containing things too difficult for you to understand You may have been accustomed to look upon the book of Revelation as a difficult Prophetic writing and therefore you may have missed these wonderful messages of your risen and ascended Savior and also those glimpses of Heaven which other parts of the book disclose to the reader But if you will look at the opening verses of the book you will find that there is a particular blessing promised to those who read this prophecy Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near Revelation 1 3 I purpose then to tell you something about the beautiful messages sent by your risen Lord to His Churches But do you understand the meaning of the word Church It does not mean the building where Christians meet but it means a company of believers in Jesus who meet together to pray to Him and to read His Word This may be done in a school room in a mansion in a cottage or in a sick chamber Wherever two or three are gathered together in Christ s name there is a Church and there He has promised to be in the midst of them What I want you to feel is that when you meet as we do now we may consider ourselves as a little Church over which Jesus presides and among whom He walks God does not exclusively dwell in places made with hands but in the true believer s heart by His Spirit **Where Is Your Allegiance** Paul A Himes,2017-08-28 Lay persons in the church might be forgiven for imagining that the book of Revelation cannot be understood There are many different interpretive schemes proposed and hundreds of variations within those schemes But the reader who is willing to spend the time will find real treasures in the study of this book and Paul Himes has provided an excellent guide to some of the most important passages as he looks at the messages to the seven churches and even more importantly at the One who is sending those messages based on the vision in the first chapter and the ways in which the churches are addressed Dr Himes provides key background information and then takes a serious look at the details of the text but he does so in a way that is clear and that points the reader to ways of approaching the text more seriously on his or her own For those who want to follow the trail further the footnotes are extensive Since as the author tells us on page 5 one cannot begin to grapple with the eschatology of Revelation until one has submitted to the Christology of Revelation this book provides an excellent point of

entry for someone who wants to take a new and refreshing look at this important book Here one can study the Christ of revelation Christology the church He ordained ecclesiology and go from there to the purpose and destination He has for that church eschatology messages to the seven churches donald grey barnhouse,1952 **Dear Church** Bill Thomas,2021 John s vision of the resurrected Jesus Christ in Revelation is both inspiring and challenging What message does he have for the church The modern church finds herself in a peculiar time she struggles to continue her eternal purpose carry on her calling and maintain relevance in a world that is changing rapidly The church s struggle today is not all that different from the difficulties the church faced in the first century That is why Bill Thomas wrote Dear Church to analyze Jesus message to the seven first century churches of Asia on how to overcome their challenges The eight lessons included within this book act as a roadmap helping readers to question whether their church is portraying the teachings of the risen Christ This book can be used by anyone who wishes to grow in both spirit and knowledge as well as those seeking spiritual clarity Lessons include Letter to the church at Smyrna The Persecuted Church Revelation 2 8 11 Letter to the church at Sardis The Dead Church Revelation 3 1 6 Letter to the church at Laodicea The Lukewarm Church Revelation 3 14 22 The Sermons to the Seven Churches of Revelation Jeffrey A. D. Weima,2021-07-20 A top New Testament scholar preacher and tour guide to the lands of the New Testament offers an informed commentary on this challenging portion of Scripture with an eye toward preaching the text Jeffrey Weima explains the meaning of the seven sermons of Revelation 2 3 and provides sample sermons that show how these ancient messages despite their subtle Old Testament allusions and perplexing images are relevant for the church today The book includes photos maps and charts and is of interest to preachers students teachers and Bible study groups

Dispensational Truth, Or God's Plan and Purpose in the Ages Clarence Larkin,2009-01-01 The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century his works are the source of many of the prophecies and truths end times Christians hold to even today This stupendous 1918 book perhaps his greatest work is the result of more than 30 years worth of the author informs us careful and patient study of the Prophetic Scriptures Fully illustrated by charts describing God s plan for humanity Dispensational Truth covers Pre Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world s seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more American Baptist pastor and author CLARENCE LARKIN 1850 1924 was born in Pennsylvania and later set up his ministry there He wrote extensively and popularly on a wide range of Biblical and theological matters **Messages from the Messiah to the Seven Churches in Revelation** Don E. Stanton,2015 *Messages from the Risen Saviour; Or, Addresses on the Seven Churches of Asia for Mothers' Meetings. By the Author of "Glimpses of Heaven." [With the Text.]*,1872 *Preaching the Seven Churches of Revelation 2-3* Thad Lee Key,2016 In the New Testament the message of Jesus to the seven churches of Revelation 2 3 is the only direct discourse communicated to local congregations When properly understood and interpreted the implications for

methodology and ministry are profound especially when one considers that Jesus message to each congregation ends with the exhortation to hear what the Spirit says to the churches As detailed in chapter one this thesis will purport that the message of Jesus to each church when properly interpreted and explained can then be contextualized into poignant implications for the life teachings and ministry in the local church Chapter two demonstrates the best way to interpret these seven messages is by comparing and contrasting the content in the seven messages through examining them in light of this repeated exegetical and structural content Chapter three shows that the seven churches of Revelation 2 3 contain implications for today s church in regard to the life doctrine and discipline of the church Chapter four examines the implications for preaching in light of Jesus prophetic messages being an echo of the salvation judgment oracles of the Old Testament Chapter five contains summary assessments and conclusions in regard to the practical implications of the seven churches The benefit of this thesis is its emphasis on the practical implications for local congregations today in light of Jesus message to the seven churches

Ears to Hear ,2022-12-21 Now more than ever we need to get back to what really matters Within Jesus message to the seven churches we discover that As we examine what Jesus says to each church we discover two things who He needs us to be and what He needs us to do

Letter to the Church at Sardis Austin John de Bourg,2020-09-03 Many feel certain that they are right with God and on their way to heaven when in fact they are not This was the sobering predicament of 5 of the 7 Churches of Jesus Christ as revealed in His letters to them in the Book of Revelation God s perspective is often quite different to man s explained Dr de Bourg as he presents with clarity and simplicity the depth of wisdom insight and revelation which is contained in Jesus seven letters to His Church These books are a major eye opener revealing just how relevant Jesus letters are for us today They could well be the very thing that is needed to place us in the perfect will of God as they provide this present day Church with the spiritual rudder to steer it on the right course If you truly desire to be right with God and to secure your eternity with Him in heaven this seven part series is definitely for you
