

Principle is a passion for
truth.

William Hazlitt

A Passion For Truth

**Methodist Episcopal Church, South.
Memphis Conference**

A Passion For Truth:

A Passion for Truth Abraham Joshua Heschel, 1973 Explores despair and hope in Hasidism as Heschel experienced it himself through study of the Baal Shem Tov and the Kotzker Rebbe **A Passion for Truth** John Huntington, 2018-12-21 A Passion for Truth is an intimate account of John Huntington's interior life as a physical scientist and as a priest In mid career as a scientist he experienced a sudden and undeniable call to the priesthood It became imperative to work to reconcile his two vocations within a single worldview This plunged him into an intense reflection on the authority of physical science and the trustworthiness of religious experience He could not turn away from the question This book is the result The author uncovered a number of fallacies embedded in our Western culture that serve to impede spiritual formation and to discourage the faithful At the root of them all is the idea that it is acceptable to be careless with the truth In liberal academic circles this is called postmodernism in theology it is called relativism in physical science it is called scientism He concluded that if striving for clear thinking is our loving response to our Creator who endowed us with intellect then loose thinking permissive thinking untruth relativism could not be from God It cannot be condoned Huntington wants to awaken in us a passion for truth and in doing so he wants to comfort us and bring us hope The Merging of Theology and Spirituality Larry S. McDonald, 2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath's theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath's previous work and the writing of other evangelicals The Merging of Theology and Spirituality offers an overview of a unique thinker's contributions and a guide for future theological and spiritual exploration Metropolitan Pulpit and Homiletic Monthly, 1906

Memphis Conference Yearbook Methodist Episcopal Church, South. Memphis Conference, 1888 Freedom and Truth Howard Nicholson Brown, 1916 Homiletic Review, 1915 The Living Age, 1922 Christianity in Science Frederick DeLand Leete, 1928 **The Missionary Review of the World**, 1913 The Arena, 1898 The Kindergarten Magazine, 1903 Eclectic Magazine, 1905 **A New Light of Mysticism. Azoth, Or The Star in the East ...** Arthur Edward Waite, 1893 **Report of the Chairman of the Faculty** University of North Carolina at Chapel Hill, 1902 Some Principles of Literary Criticism Caleb Thomas Winchester, 1900 McClure's Magazine, 1905 **Letters to a Friend on Votes for Women** Albert Venn Dicey, 1909 The Ethics of William Wollaston Clifford Griffeth Thompson, 1922 Laws of Life After the Mind of Christ. Discourses. [First - Second Series.] John Hamilton Thom, 1883
