Sirens , Stay Down, Old Abram

Dennis Siluk, 2004-06 From two short stories and fragments of others comprising basically an outline by the author grows a masterpiece after 14 months a most lucid novel perhaps the best account of a cross cultural form of intolerance in historical fiction in a long time Based on actual events *Stay Down Old Abram* the author paints two streets one white one black in this tragic game where moods and friction bring out the roots of deeply idealistic rejection and suppressed tendencies all embedded in the narrative One might even conclude this story is not all that much different than what took place in Iraq's Abu Ghraib prison outside of Baghdad recently although in a thinner angle yet in both cases we see undisciplined soldiers working in sensitive spots The time and place is West Germany mid 1970's By Rosa Pe aloza Translator Writer I had read

some of Dennis Siluk's books and I liked them very much the stories and topics touched in each one I could say that reading them they carry you inside the story and you begin to dream and dream as if you were part of the story Nancy De Valencia English Teacher **The Macabre Poems[and Other Selected Poems]** Dennis Siluk,2004-11 This is Mr Siluk's 27th book his third book of poetry since 1981 Siluk's poetry has been seen in magazines most recently The Mango Tree out of India anthologies newspapers books interwoven into stories and in the internet magazines such as www.uselessknowledge.com and www.eldritchdark.com Siluk has the three main ingredients for being a writer the love for words perseverance and has a lot to say In The Macabre Poems the categories of his poems range from Macabre Prose Legends emphasis on Atlantis and Gilgamesh and Selected Poems along with War poems and a Miscellaneous section There is an assortment of poetic style of poetry in The Macabre Poems to include prose lyrical expressive odes epics and tales along with sonnets haiku etcetera Indeed Siluk is worth his salt In The Macabre Poems Siluk is more than daring in his poetic verse dangerous as it may be to read it was twice as hard to write but Mr Siluk put it in a nutshell If you want to know who you're dealing with you got to take a mustard seed of faith with you to the pits of hell playing it safe will not get you home Rosa Pe aloza Translator

**Perhaps It's Love** Dennis L. Siluk,2004-12 Perhaps it's Love the original element which gives this book its name concerns four young adults that play a vital role to follow their hearts sometimes without adequate preparation or the appropriate equipment as a test of the will This of course nearly crushes each person's spirit In one way or another each youth is linked to each other ages between 18 and 21 The novel is primarily concerned with choices in love in some cases a manifesto about its dangers At the end it must be said nothing was tolerable but the best No one was without sin Four youths 1967-68 while being in the process of growth get stirred up quite a lot some even lost in the commotion of events while feelings become nourished and intensified all aching for love in their own way A lesson might well be learned if they can only harness their crying hearts but first unhappiness has to be conquered part of the theme and plot The story has a shy charm to it a quick gaiety and objective tenderness It is dramatic it has an exploring inner mind Many parts of this book are based on actual events transformed into historical fiction *After Eve* Dennis Siluk,2004-02 Says the author This story will bring you deep into it make you live it it transcends Evolution and Creationism to form a unique relationship with humanity Beyond the myths of this world resides pieces of truth thus forming this story where boundaries are marked by no one The author conjures up a gallant saga science fiction where the Garden of Eve is in decay and the inhabitants of the world are forming a New World Order From the book *Death on Demand* by Mr Siluk says author E J Soltermann Healing from Terrorism Fear and Global War The Dead Vault A gripping tale that sucks you deep through human emotions and spits you out at the end as something better In a like manner *After Eve* holds the same truths Mr Siluk being a world traveler a lover of the mysteries around the world has visited many World Heritage Sites recently he visited the most remote island in the world Easter Island where Kevin Costner made his movie Rapa Nui there he stands the author with Charlie Love Geologist Archeologist and

Grant McColl Anthropologist June 2002 The author felt this would be a most befitting picture for such an intriguing story

The Mumbler Dennis Siluk,2003-10 With a stroke of madness this psychological thriller novel is a story that takes place between Paris London and Amsterdam the time period being 1925 The author states After you read The Mumbler you will never get him out of your mind nor will anybody take his place He adds You will hate him feel sorry for him and at the same time want to avoid him The person referred to as The Mumbler is quite a complex figure in this haunting drama unprotected by his father who dies in WWI he now faces life on his own circumstances being problematic at best as he unwittingly fights the demons in his nightmare and his second self But who will he follow is the question the first or second self One being a thinker a scholar of sorts the other an unpredictable pathological murderer both being the incarnation of genius and malign
