

THE DEBATE OF ABORTION ANALYZED

The Pro-Life movement, a group of individuals that support legislation restricting abortion rights, have several main arguments.

[+INFO](#)

VS

The Pro-Choice side advocates for the legalization of abortion nation-wide and better accessibility towards safe abortion centers.

[+INFO](#)

MY CONCLUSION

As someone who was pro-choice before researching, my stance didn't change significantly after reading the different perspectives. While I found the pro-life morality argument convincing, I still believe pro-choice's weighing of a woman's right before the fetus. Therefore, a world in which abortion is legal with restrictions is where women's rights are most respected, and where I want to live in.
